Angry outburst by lawyer in Brimberry trial brings apology

By PATHAY LUTZ
for the Press-Record

Much of the testimony in the current trial of Thomas Brimberry sounds familiar, but an angry confrontation between opposing lawyers during a court recess Thursday morning provided onlookers with a new diversion.

Immediately after jurors left the courtroom for their morning break, Defense Attorney David Lubell confronted Assistant U. S. Attorney Ronald Kane and admonished him for making an "improper statement" during his redirect examination of Viva Elliot, of Granite City, a government witness for former employee of Miller Excavating, who had just finished testifying.

MRS. ELLIOT had testified under cross-examination from Lubell that she thought Brimberry was a "generous" man and, during a redirect examination, Kane asked, "Did you know that his generosity was the result of the money he stole from Six?"

Lubell promptly objected to Kane's question, and U. S. District Court Judge Clyde Cahill told the jury to disregard the question.

During the recess, Lubell yelled at Kane in front of several spectators, saying, "You framed the guy. Now you pull this stuff just to tie stuff with Pelzer." (Steve Pelzer, former assistant hotel manager for the MGM Grand Hotel in Las Vegas, had testified earlier in the week that a report, prepared by FBI agents dur-

ing an interview with Pelzer regarding his connection with Brimberry, contained incorrect information. Pelzer testified that the preparer, an FBI agent, "misunderstood" when Pelzer told him that \$23,000 he received from Brimberry to invest in the stock market was a loan. The report indicated the Pelzer had said the money was a gift.)

KANE RESPONDED to Lubell's accusations by saying repeatedly, "Let's go see the judge," and finally left the courtroom. Lubell followed him cursing Kane and slamming the swinging gate on the railing separating spectators from the main courtroom.

A few minutes later, Lubell returned from the judge's chambers, apologizing to reporters as he said, "I'm sorry. I should have known better than that." He also apologized to Kane in the hallway.

Lubell, a New Yorker, has consistently objected to the way in which Kane and Assistant U. S. Attorney Terry Adelstein have questioned the witnesses, and, during his own examinations, has been told several times by Judge Cahill, "That's not the way we do things here," or "That's not the procedure we follow."

DURING Brimberry's trial on obstruction of justice charges last May, U. S. District Court Judge William Beatty of Granite City made Kane apologize to jurors for improper remarks about Brimberry's

Water company is flushing hydrants

Starting today and continuing for the next two months, the Illinois American Water Company will test all of the fire hydrants within Granite City, Madison, Venice and Nantook Township. Water pressure readings and gallons-per-minute flows will be calculated and documented at this time.

These tests enable the water company to determine the condition and the reliability of each hydrant in the system.

THE flushing of the hydrants requires huge amounts of water and there will be discoloration in tap

water in the immediate area of the flushings.

The water is safe to drink or use, and will return to clean and normal within a few hours, a spokesman said.

Flushing and testing schedule will start in the downtown Granite City area and will progress toward Granite City Steel and then to the Tri-City Park area.

AS THE program continues, the Water Company will announce each area that is to be tested until the program is completed.

The Very Rev. Archimandrite Innocent Fryntzko of the Orthodox Church of America, chaplain to the Alaska General Assembly in Juneau, Alaska, is celebrating his 17th year in the priesthood during a current visit here with family members.

Prior to his elevation to the position of archimandrite, equivalent to monsignor in the Roman Catholic Church, the Orthodox leader was widely known here as Father Theodore and, by some, as "Father Ted."

He marked the 17th anniversary of his ordination into the priesthood last week at a thanksgiving service and reception at the Nativity of the Virgin Mary Eastern Orthodox Church in Madison. More than 70 family members, friends and parishioners attended the event.

The church leader is one of the six sons of the late Mr. and Mrs. Dimitry Fryntzko of Granite City. As a youth, he attended McKinley Grade School and Central Junior High School and graduated from Granite City High School.

All six of the Fryntzko brothers — Vasil, John, Andrew, Harry, Vladimir and Theodore — were Press-Record delivery boys in their younger years, working collectively and individually.

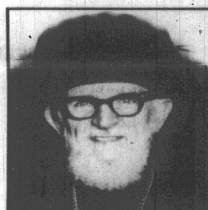

All worked hard and were well thought of by residents along their paper routes, it was learned.

Born and reared here, Archimandrite Innocent was ordained into the Orthodox Church on April 7, 1967, at the Madison church by His Eminence Archbishop John. He was the first native son of Illinois to be thus honored.

He was tonsured as archimandrite by His Eminence Archbishop Kiprian in the Monastery of St. Tikhon of Zadonsk at South Canaan, Pa., Aug. 26, 1973.

The churchman first went to serve in Alaska in 1970 when he became parish priest of Three Saints Orthodox Church at Old Harbor, a remote fishing village located on the southern coast of Kodiak Island.

Kodiak is the first and largest island in the Aleutian chain, a series of atolls and islands that divide in size and stretch southwesterly from the Alaskan mainland, dividing the Bering Sea and the Pacific Ocean.

GUTTED BY FIRE. Glass and debris litters the sidewalk in front of Steinberg Furniture, 1332 Nineteenth St., after a fire gutted the structure Saturday morning. Firefighters were called out at 3:10 to battle the blaze that spread throughout the store. Fire Capt. Jerry Wallace suffered back injuries during the fire and was taken to the hospital. Cause of the fire is yet undetermined, but no signs of arson have been found.

GC park hires summer workers

The Granite City Park District Board of Commissioners approved its annual list of summer employees, including young seasonal staffers.

Approximately 100 workers will be employed by the park district, including about 80 seasonal employees who will sell concessions, be stationed at the park pool and baseball fields and assist in the maintenance of the gardens and grounds.

decided to strike reference requirements from job application forms to avoid being accused of favoritism in hiring.

This year, the issue of hiring more than one staff member from the same family was discussed. The current hiring list does contain some related members, including the sister of David Nolan, director of parks and recreation. She has been employed by the district previously.

According to Commissioner Barry Loman, the district has always had a rule against hiring two members

from the same family. No other park commissioner, however, backed Loman's statement. Commissioner Jack Hood, chairman of the personnel committee, said he could not recall a time when there have not been two or more employees hired from some families.

COMMISSIONER John "Jerry" Worthen agreed with Hood that the hiring of related employees has occurred many times. In some instances, one family member is returning to work for the park, while

Decals on sale today

Granite City vehicle tax stickers went on sale today at various locations throughout the city, Clerk Robert Stevens has announced.

This year a drawing of the Wilson Park gazebo will grace the decals that must be displayed on automobiles. The garden gazebo, which was constructed by retired park maintenance worker George Fath, will replace the current rendering of the city seal. Edward Schulze, city traffic engineer, designed the sticker again this year.

A truck will be featured on the more expensive decals required for vehicles weighing 1 ton or more. Motorcycleists must purchase metal tags for their motorcycles or motorbikes.

Residents are expected to have the decals on their vehicles by May 1, but enforcement of the law usually begins the later part of May. Residents should be aware that the price of the automobile decals doubles after May 16.

The stickers may be purchased at the City Clerk's Office in the Granite City Hall, 2000 Edison Ave., from 8 to 5 during the weekdays. Residents, 65 and older, may purchase discounted \$1 stickers only at the Granite City Township Hall, 2060 Delmar Ave., from 8 a.m. until 4 p.m. daily. Handicapped residents may purchase \$1 stickers at city hall.

Vehicle stickers also will be sold at the First Granite City National Bank, 20th Street and Edison Avenue, and at its Bellemore Village Shopping Center facility; the Granite City Trust and Savings Bank, 1909 Edison Ave., and its facility at 24th Street and Madison Avenue; the American Heritage Bank of Granite City, Nameoki and Fehling roads, and the Colonial Bank of Granite City, 2400 Pontoon Road.

The city clerk's office prefers that those purchasing stickers bring their vehicle registration cards with them. Senior citizens buying stickers at the township office should provide their registration card and driver licenses.

The stickers, other than for senior citizens or handicapped, will cost \$5 for automobiles and \$3 for motorcycles. Truck stickers will be based on the weight of the vehicles and are: 1 ton, \$10; 1 to 2 tons, \$12; 2 to 3 tons, \$15; 3 to 4 tons, \$17; 4 to 5 tons, \$20, and over 5 tons, \$31.

After May 16, car stickers will be \$10 and motorcycles will be \$5. Truck prices also will be increased on a graduated scale.

Clean up campaign plans progressing

By DONNA KIMBRO
of the Press-Record

Boy and Girl Scouts, businessmen, homeowners and school students are expected to participate in the annual Clean-Up Campaign, sponsored each year by the Community Betterment Committee of the Tri-Cities Area Chamber of Commerce. The event is scheduled this year for Saturday, April 14, in Venice, Madison, Granite City, Pontoon Beach and Mitchell.

In addition to the day-long collection of trash and debris, each city will have dumpsters located at specific places for area residents to take and deposit large items or articles that are not normally picked up by the local trash collectors. The exact date and location of the dumpsters will be announced at a later date.

Ray Edwards, general chairman of the planning committee, conducted a meeting of all chairmen involved in the project at the Chamber of Commerce office.

There will be 400 Boy Scouts and 116 leaders working along the highways skirting Granite City, and approximately 300 Girl Scouts to collect along the residential streets.

while students at various schools will police the school yards, it was announced.

"I hope to speak with local merchants and shopping center owners and encourage them to wash windows, sweep sidewalks and pick up trash items during the weeks ahead and also throughout the year," Mrs. Shirley Adams, public relations chairman, announced.

To promote the community event, a senior citizens' "awareness day" will take place on April 7 at Granite City Center from 1 to 5 p.m. Members of the Chamber will give a "brief" explanation of the campaign, that will be followed with refreshments furnished by McDonald's Restaurant and Pepsi

Cola and dancing to Howard Bolton's orchestra.

The purpose of this affair is to ask the senior citizens to "spread the word" about clean-up week to their friends and neighbors and not to solicit them to work on the day of the project.

A litter bug contest was held for Granite City first grade students who were required to make a "litter-bug face" and a winner from each class was selected by the teacher. All winners will gather at the YMCA this Saturday at 3 p.m. to have their picture taken and receive certificates from the Chamber and treats from McDonald's for their participation in the kickoff competition.

Seminar on shopping center development

Is there room for new shopping center development in and around St. Louis? What new retail projects are underway in the city and across the state? How are shopping centers being financed and what will the future hold for developers searching for new sources of capital? How do the new syndication deals work and what do they mean for the industry?

These questions and more will be discussed when shopping center professionals from throughout Missouri gather here April 4 for a

meeting sponsored by the International Council of Shopping Centers at the Breckenridge Conference.

The meeting will open with a panel representing regional and national lending institutions now active in the field of real estate development financing. Chaired by Irv Maizlish, president of Leo Eisenberg and Co., Kansas City, the session will feature W. Hoyes, vice president of Citicorp; David Gaunt, vice president of Chase Manhattan Bank; and Darrell T. Newton, vice president of Wachovia Bank and Trust.

Following this will be a session on real estate syndication. Experts will explain how these deals work and explore the impact they have made on the entire shopping center industry. Companies represented will include Balcor Mortgage Advisors, JMB Realty Corp., and National Property Analysts, Inc. Balcor, a division of Balcor American Express, was involved in acquisitions totaling \$2 billion in 1983 and \$400 million worth of loans. JMB Realty has completed a \$3.7 billion real estate portfolio which includes more than 80 regional malls. National Property Analysts, one of the top syndicators in the nation, owns and operates more than 140 shopping centers.

The meeting's afternoon session will spotlight four major developers who will discuss the current state of the shopping industry in the St. Louis metropolitan area. Among the panelists will be Jerry Munson of

Melvil Simon and Associates, who will discuss St. Louis Centre, the downtown revitalization project which comprises a 370,000 square-foot shopping center, a 21-story office building and a 250-room hotel.

Other centers coming under close scrutiny at this session will be Gateway Mall and Crestwood Shopping Center. Crestwood, the first regional shopping center built in St. Louis, is now going through major expansion and rehabilitation that will add 50 new stores and enclose the entire center.

Also featured at the meeting will be a luncheon address by Tom Seay, senior vice president of Wal-Mart Stores, Inc.

Called an Idea Exchange, this meeting is one of a series of regional seminars sponsored by ICSC, the trade association of the shopping center industry. It is open to all interested persons.

For more information, interested persons may contact Morris H. Sternack, ICSC Missouri state director, at 1-314-291-5600.

GC Park District asked to consider sports hall of fame

Granite City resident Alvin Barnes Jr. appealed to the Granite City Board of Park Commissioners to form a committee to consider a local sports hall of fame.

Barnes, a sports columnist for the Granite City Press-Record and a sports history enthusiast, told the commissioners the memories of local record-setting athletes should be preserved.

"This little area here has produced more than its share of outstanding athletes," Barnes said at the park board's regular meeting. But despite the Quad-City sports record, nothing official has been left behind to keep those events alive.

"We've got a glorious history, why

hide it?" Barnes asked. "Part of our culture and history is being lost."

Tracking certain sports highlights of the past has already become impossible. "Some yearbooks are missing," Barnes said. "Other times information is gone."

As an example, he cited the missing trophies of the winning baseball teams produced by Sacred Heart Catholic School. And, he asked, how many commissioners remembered that a resident had once held the world's record for the 60-yard dash.

He told commissioners that if someone was responsible for gathering those facts, the past could be kept intact to inspire the youth and show the community its proud sports heritage. "Athletes are the one thing all the area communities can rally around together," Barnes said, after the meeting. "It cuts across all lines."

He suggested the park district use its annual dinner as a fund-raising tool to help finance a sports hall of fame.

"I hope you're asking for a city-wide committee," Commissioner Barry Loman said. "The board could have 12 committee members

— one from this board."

Barnes plans to bring his appeal to local community organizations and to the local school boards in Granite City, Madison and Venice.

BURGLAR BREAKS-IN ADM BUILDING, TAKES TOOLS

A burglar entered the south building at ADM Corn Sweeteners, 20th Street and Rock Road, for forcing a locked door last week.

The intruder also went into the old office area in the north section, unscrewed bolts and removed a door from its hinges. Stolen from the building were assorted tools valued at \$150. About a dozen empty cardboard containers also were found stacked near a door, it was noted.

INTERSECTION MISHAP

Cecil R. Pointer, 52, of 2432 Illinois Ave., was injured last week when his auto was involved in a collision with a vehicle operated by John L. Kibbons Jr., 19, of 2903 Roosevelt Ave., at 19th and Benton Streets.

decision not to testify in his own behalf.

Before the eventual recess, Mrs. Elliot had testified that she worked for several companies financed by Brimberry, including Miller Excavating, Century 3 (a chemical sales company) and Homecare, Inc. (a chemical production company).

Mrs. Elliot told jurors that she picked up mail from Stix and Co. at a Granite City post office box and gave it to Duane Skinner of Pontoon Beach who allegedly served as Brimberry's "front man" for these companies.

SHE IDENTIFIED several checks from the Arthur Miller Jr. account at Stix, many of which were endorsed by Skinner.

Brimberry is charged with lying to the grand jury about Skinner's involvement in the \$16 million embezzlement scheme which destroyed the firm.

Testifying that she "had no idea" that Brimberry was involved in what Lubell referred to as a "mammoth stock fraud," Mrs. Elliot told the jury that she went to Florida to pick up blank stock certificates at Brimberry's request.

"IT WASN'T unusual for him to do something somewhat different than what someone else would do," she told Lubell. "When he wanted something, he wanted something."

In later testimony, Arthur Miller Jr. of Granite City, Brimberry's brother-in-law, told jurors that he received \$250,000 to \$300,000 from a fictitious account set up in his name at Stix, and that he lost that money "gambling, (buying) expensive cars, (taking) trips, things like that."

Venice man shot, leaves hospital

Ulas Davis, 54, of 13 Lee Wright Homes, reportedly was shot in the chest and face about 8:20 p.m. Friday. Venice police were holding a suspect in the shooting Sunday, pending application to the Madison County state's attorney's office for a felony warrant today.

Officers were called to a Lee Wright Homes apartment at 8:20 p.m. Friday and found Davis sitting in the kitchen area, bleeding from the chest.

The Venice Fire Department emergency truck and an ambulance were dispatched and Davis was taken to St. Elizabeth Medical Center. He declined to give officers information about the shooting, reports said.

Later that night, hospital personnel reported Davis to be satisfactory condition and said he was to be admitted. It was learned, however, that Davis left the hospital and returned home sometime Saturday.

An investigation disclosed that Davis and another Venice man, allegedly had argued earlier Friday night over money and a fight between the two was broken up by a relative of Davis.

As Davis and the relative were about to enter the former's apartment, a man alighted from a car and allegedly fired at least four or five shots in the direction of the two men.

Davis began yelling and started running toward an adjacent apartment from where police were called, reports said. The assailant then fled the area.

The suspect was taken into custody at a Venice tavern. He was not in possession of the weapon, reported to be a .22-caliber handgun, at the time of arrest, it was learned.

FTA WARRANT IS CHARGED
Michael K. Kohuth, 25, of Edwardsville, was charged with failure to appear in court on a warrant for an improper muffler last week.

Lubell, Miller admitted following Brimberry's instructions to help Skinner bring "a couple pickup truck loads" of records relating to Miller Excavating after the "explosion" of the Stix scandal, and that he destroyed the bank statements after the Miller Excavating records were given to Brimberry.

Miller also told jurors that Brimberry had told him to lie about Skinner's involvement. "We both (Brimberry and Miller) stand a good chance of going to jail, and if we do, we'll need a friend on the outside. He (Brimberry) said that friend would be Duane."

Miller has been sentenced for his role in the scheme, and has testified for the government in every Stix-related case as a cooperative witness.

Harry Mollne, trustee for the liquidation of Stix and Co., also testified on last week, telling jurors that Brimberry never told him of the existence and sale of heavy equipment belonging to Miller Excavating, even after Brimberry had agreed to turn over all assets obtained through the swindle.

He also testified that Brimberry had agreed to relinquish his "very substantial" Granite City home, but learned that stained glass windows and a generator had been removed from the home after the agreement.

BRIMBERRY faces 30 years imprisonment in the 10-count indictment, which charges him with eight counts of perjury before the grand jury and two counts of attempting to conceal assets from the Stix trustee.

The trial begins its third week today.

TV, GUITAR MISSING
In a burglary at the home of Diana Meyers, 3010 Kirkpatrick Homes, reported at 1:15 p.m. Saturday, a color television valued at \$300, a box guitar worth \$150, an electric oven costing \$100 and \$65 worth of frozen meat were stolen.

Journal chain is sold to Ingersoll

Ingersoll Publications Company of Lakeville, Conn., has agreed to acquire Suburban Newspapers of Greater St. Louis, which includes all of the newspapers currently owned by the Bick and Donnelly families, including the Granite City Journal.

Frank C. Bick, James A. Donnelly Sr. and Robert E. Donnelly Sr. have announced the signing of respective letters of intent to transfer their interests to the privately held Ingersoll concern.

New England-based Ingersoll Publications is a newspaper publishing company with 22 daily and numerous weekly papers in 26 markets throughout the United States. It was founded by Ralph McAllister Ingersoll, who at 84 is now retired.

Today the Ingersoll company is run by Ralph Ingersoll II, 37, who makes his primary home in Lakeville, Conn.

Ingersoll said Suburban Newspapers of Greater St. Louis would continue to operate under its existing local management.

Propose changing a basic right

It is with mixed feelings that we view a proposed Illinois constitutional amendment to abolish jury trials for crimes carrying maximum penalties of a \$500 fine or less.

On the surface, it appears to be a good idea. It would help relieve a heavy court load, since jury cases require far more time, on the average, than non-jury trials.

Also, far too many criminal cases are just dragged on and on awaiting jury trial, a tactic some lawyers use to postpone cases, sometimes for years.

Also, jury cases cost more than non-jury cases, a cost which heavily outweighs the maximum \$500 or less in fines which can be imposed in these cases.

On the other side of the coin, it has been a tradi-

tional role of the press to fight against any constitutional change which takes away the rights of individuals. The Constitution guarantees all accused persons the right to trial by a jury of their peers.

Any degree of "watering down" individual rights in the constitution sets a dangerous precedent. It could act as a springboard for the removal of other rights in the future.

Without modifications, we sincerely doubt the current proposal will be passed by the required 60 percent of both the Illinois House and Senate. If it is, the issue would be placed on the November ballot and require 60 percent approval by the voters.

There is no question that a great deal of debate will occur, should the issue advance beyond its current stage.

Vote with 1040 form in hand

Guest editorial by Richard L. Lasher, president of the Chamber of Commerce of the United States.

I have a bone to pick with the Founding Fathers. These geniuses, who penned the Constitution, foresaw many threats to our liberties. Wisely, they wrote in guarantees to protect us against government encroachment in our lives. But they missed one trick.

National elections were set for the first Tuesday in November. What the Founding Fathers didn't see coming was a constitutional amendment allowing for an income tax. And Income Tax Day, April 15, was set — by no coincidence — about as far away from Election Day as possible.

Thus, while we buy into a new Congress and president in November, we don't settle the bill for their spending habits until April 15. This allows us almost seven months to calm down before we are asked to vote for the same spenders again.

What if Election Day and Income Tax Day were one and the same? I would venture to guess that if Americans stayed up late finishing their income tax returns on Election Eve, we would be in no mood to return the big tax-and-spend politicians to Washington the next morning.

Indeed, it is a safe bet that both Congress and our taxes would look radically different if we voted on April 15. Our taxes would be lower and much of the present Congress would be out pouting the pavement looking for work.

Try this as an approximation of merging Tax Day

and Election Day. Take a moment when you are making out your 1040 statement and call your representative and senators. Ask each of these how they voted on the 1981 tax cut. Ask them how they voted on the 1982 tax increase. Ask them if they intend to vote for income tax increases this year. Ask them if they agree with columnist George Will and others, who believe that the American worker is underpaid.

If they intend to raise your taxes, then get out your calendar and mark down their names with a notation to vote for their opponents on Nov. 6, 1984. If they stand with the American worker in opposing higher taxes, then mark their names down on the calendar as definite "keepers."

It is too easy for politicians to speak in the abstract about "increasing revenues," "broadening the tax base," and putting in a "revenue plug." When you speak to these politicians, keep your 1040 statement right in front of you and don't let them bamboozle you into thinking that they can raise taxes on everyone else but you. You can rest assured that this is what they tell your neighbors. For when it comes to taxes, we all pay.

Another alternative is to take your income tax return with you into the polling booth on Nov. 6, 1984. Remember how your congressman voted on higher taxes. Then look at your income tax return. Remember how angry you were on April 15. Take a deep breath. Then vote.

Objects to high utility bills and policies

To the Editor:

It's getting pretty bad when you can hardly afford your "hot water tank," much less the heat to warm your home. The gas and electric rate at Illinois Power have reached an all-time high, and are creating poverty conditions in many families in the area.

Ten years ago, our highest combined gas and electric bill was \$57. Today it is never lower than a \$120.

Not only are their rates ridiculous, but they informed me that if they shut off your power, you will not get service again for a year. (See Editor's Note below). They do not try to work with you in paying these high bills, but seem to make it more difficult. If you fail to pay more than two bills, the "shut-off" notice comes.

The unlimited power that companies such as Illinois Power has is almost the direct result of poor leadership in the White House.

President Reagan seems to believe in a permissive society, with no controls. Just let everything run wild. Until we get a President who understands what the high cost of living is doing to low income families, we will never defeat poverty in America.

In this runaway society, where the sky is the limit, the people in America had better be thinking about the upcoming presidential election and voting for a change—before it's too late.

(Editor's Note: An official of Illinois Power Co. notes that a recent report shows utility rates here are among the lowest in the country, except for areas served by hydro-electric dams. Responding to the allegation that disconnected homes will not be reconnected for one year, he said that is not true. IP follows Illinois Commerce Commission and

state legislature guidelines enabling persons to be reconnected immediately if they pay the required portion of their bill and make arrangements to pay the balance.)

FORUM LETTER BRINGS RESPONSE FROM GERMANY

To the Editor:
I am appalled by the letter "parent objects to our roach clip editorial." If that parent was so concerned about the roach clip, he should have commented the editorial, rather than condemning it. Whether or not these roach clips can be purchased at any hardware store is irrelevant. Anything that has a hint of a connection with drugs or drug paraphernalia does not belong at a school function.

I, too, hope, that the Press-Record will never sway in your conviction to fight drug abuse at all levels and in all forms.

Unwed parents have obligations

Law
and you
By Rick Reed
Attorney at Law

When a child is born out of wedlock, the question often arises as to what right the father has. It first has to be determined whether or not the father's name appears on the birth certificate. If the father's name appears nowhere on the birth certificate, then in the eyes of the law the man is not recognized as the father of the child. However, this does not mean that he will forever be barred from acknowledging paternity. Even the father who is not named on the birth certificate can subsequently go to court and have a court order entered recognizing paternity.

One situation where this problem arises is when the alleged father failed to support the child. Frequently women come to an attorney seeking child support from the man they claim is the father of their child. The only way to bring about an obligation to support the child is for the mother to bring a paternity suit. Eventually, if this is contested, a

hearing will be held, at which time a judge will decide from all of the evidence whether or not the man is the father of the child and how much child support he should be required to pay. Until the mother takes the time and the effort to go to court, the father will be under no obligation to provide support. It should be realized that if the court finds that a man is the father and that he should provide support, more than likely the father will also be granted visitation. This is something women often fail to realize when they return to court in a paternity suit.

In other instances, the alleged father comes to an attorney seeking to enforce his rights. In this situation the father usually is not being given the opportunity to visit the child and he wants to go to court to have his rights defined. The father can go to court and acknowledge paternity and, thereby, be granted reasonable visitation. It is important to note that reasonable visitation is often defined as every other weekend, two weeks in the summer and alternating major holidays.

Once again, by acknowledging paternity, the father of the child born out of wedlock will not only be granted visitation but will also be ordered to pay child support. So the father who goes to court in this instance should realize that the court will not only enforce his rights but will also order him to perform certain obligations with regard to the child, namely the payment of child support.

Granite City employees and customers of downtown were asked if the national defense spending were cut, what they think the government should do with the extra money. Their reactions follow:

Cliff Hickman, Collinsville

"I think they should use the extra money for the poor, the needy and especially the elderly, because Social Security needs more funding."

Jim Hartin, Granite City

"I think the money should be used for welfare recipients and people that don't have enough money to get by. The money could be used to buy more food stamps and to take care of persons' bills when their utilities are turned off."

Gus Silva, Granite City

"I think the money should be divided between senior citizens and the poor. The Social Security program has been cut too many times already. As for the poor, there are still many people in this area, alone, who are unable to support themselves."

Monica Foster, Caseyville

"I think that the extra money should be used to educate the young people. Maybe the money could be set up as scholarships for college students."

The Forum... Mother says Don Weber being persecuted

To the Editor:

The people of Madison County elected Don Weber to be state's attorney, chief prosecutor of crime and corruption, but the Democratic judges of Madison County seek to circumvent the will of the people.

These Democratic judges appoint a special grand jury for this and a special grand jury for that. They appoint a special prosecutor for this and a special prosecutor for that. THEY PERSECUTE THE PEOPLE'S PROSECUTOR!!!

Knowing that Don Weber will prosecute corruption, even though it reaches into the courthouse itself, they seek to destroy his credibility and refuse to let Don Weber perform the tasks the citizens of Madison County elected him to do. They have

appointed another "special" prosecutor, this time one of Don's assistants, Keith Jensen.

Keith, a hold-over from the previous Democratic administration, entrusted by the present state's attorney, with the state's attorney's already collected evidence, is a great disappointment to the beleaguered Don Weber.

Apparently, Keith Jensen places great loyalty to the Democratic Party than loyalty to his boss or to the people who pay his salary. Why was Keith appointed by these Democratic judges? Has Keith promised to whitewash the assessments case?

What are these BIASED, so-called "IMPARTIAL" judges afraid of? Do they already know where Don's investigations have led? Are they

afraid to let Don Weber, state's attorney, prosecute his case? WHO has threatened Don's life if he goes ahead with this case?

It is time for the honest citizens of Madison County to clean out the courthouse. Judges must be made accountable to the people. It is time for an amendment to the constitution requiring judges to run for office every four years as other candidates are required to do. A free society cannot permit a few "Holler-than-Thou" judiciary to rule by decree!

DIXIE WEBER

The incensed mother of Madison County's persecuted prosecutor

Feels prosecutors should be impartial

To the Editor:

Recently, while in court in Granite City, I had visions of Nazi Germany and Communist Russia. I could not believe that the state's prosecuting attorney, Chuck Evers, was planning on dropping charges on a criminal trespassing charge because he personally "is morally opposed" to the line of work the pro-

perty owner is engaged in.

And it is frightening and unfair that an appointed official whose job it is to enforce the law of the land, feels so comfortable in blatantly manipulating the legal system to suit his personal beliefs. This type of behavior by a government official should not be tolerated in the United States.

(Editor's note: Assistant State's Attorney Evers admits that he did consider dropping trespass charges against the anti-abortion priest, Father Edwin Arentsen, but said no motion to that effect was ever made or acted upon by the court. He declined to comment further.)

Contents cable using up Madison's funds

To the Editor:

Why is the Mayor of Madison crying "wolf" about a deficit?

Has he completely forgotten that the General Fund loaned the Cable/Alarm \$38,000, and another fund owes it \$45,000? (Cable owes Liability Insurance fund.)

A deficit means you are really in the red and, even by his figures, there is no deficit.

The year ending last April 30, they spent \$83,000 more than they took in, but nothing was mentioned until 10 months later. Is there a reason now to be bringing it up?

True, we may be Cable / Alarm / Mini-Mail "poor," but quoting the mayor from a newspaper article April 6, 1983, regarding Cable/Alarm "... we made a real smart move..." He failed to mention it was not very smart from the taxpayers' angle, and from the same

article, "No tax money is being used in this (burglar/alarm) system."

Only 24 days later, the annual report shows \$35,000 spent from the Cable/Alarm fund to the Police Department. In fact, in only one of the last four reports has any salaries been paid from the Cable/Alarm Fund. How much has Cable/Alarm REALLY cost?

In the year ending April 30, 1983, they anticipated \$210,000 in utility tax receipts, but the actual was \$203,000 — \$7,000 more and, according to his figures for nine months, this year will bring in an additional \$30,000.

Like I said, we are Cable/Alarm poor and the really smart move would have been to franchise it out five years ago, before more than \$259,000 had been spent from this fund, and who knows how much more from other funds, plus another \$197,000 budgeted for the current year.

Anyone who wanted it could have had cable TV and we would have been collecting these five years, instead of utility taxes to pay the expenses.

SPAYING PETS CAN STOP NEEDLESS KILLINGS

To the Editor:

Spring is just around the corner. It is a time when the life of the unfortunate, it is also a time when millions of cats and dogs will either be killed on the streets or destroyed by humane societies.

Each of us can help to alleviate this heart-breaking problem by spaying or neutering our furry friends. By taking responsibility for our pets, we can help to cut down the enormous pet population.

It makes everyone happy and it's makes sense.

Propose left turn lane on Johnson Rd.

By GEORGEANN MCCOY
of the Press-Record

Granite City motorists will fight daily traffic congestion along Johnson Road's restaurant row will shortly be assisted by a center turn lane.

The new lane will extend just past the intersection of Nameoki and Johnson roads to Terrace Lane.

The plan does not call for the widening of Johnson Road.

SEVENTH Ward Alderman Michael Modrusic, who initiated the project, said it will cost the city only the money needed to buy the paint. "It should help alleviate a lot of traffic," he told council members at their regular Tuesday meeting.

City Engineer Monroe Brewer said the road changes will be made as soon as the weather permits, perhaps in April of May. The center lane will be open to motorists traveling either east or west and making left turns into the Belleme Village area or into several of the restaurants and businesses lining the opposite side of Johnson Road. The third lane system is used frequently in St. Louis County and works smoothly once drivers become accustomed to the method, Brewer said. One element in favor of the mutual turn lane is that entrances to business on both sides of Johnson Road do not line up with one another, causing the number of vehicles that might use the extra lane in any particular spot.

IN OTHER council business, banner days are ahead for the downtown area, according to an announcement made to aldermen by J. D. Hudson, chairman of the Tri-Cities Area Downtown Promotion Committee.

Venice man charged in stabbing

Kevin W. Cagle, 30, of 1036 Third St., was charged with aggravated battery by Venice Police last week after he allegedly stabbed Brian Brawley.

Brawley told police he was sitting at the bar of L.C. and Lee's Place, 400 Broadway, Venice, when Cagle, who was sitting at the other end of the bar, starting making obscene gestures at him. Cagle then approached him and started to go outside and "settle" the disagreement.

Once outside, Cagle allegedly pulled a knife and Brawley reached for the trash can lid to defend himself. While reaching for the lid, Brawley was severely cut on his left arm.

Brawley was taken to St. Elizabeth Medical Center, where he

He told the council his committee plans to erect 25 banners in the downtown area as a way of promoting its virtues. He asked for any assistance the city could offer in holding the banners.

Hudson stated that in light of the other pending downtown improvement plans afoot, the banners may immediately give "a little bit of an improvement" to the appearance of the area.

The 3- by 5-foot banners will be changed about four times a year to convey different messages, Alderman Sharon Perjak, downtown committee chairman, said.

The banners will be displayed along 18th, 19th and 20th streets at their intersections with Edison, Delmar, Niedringhaus and Grand avenues and State Street.

Sites selected are: the Tri-City Area YMCA, the First Granite City National Bank, State Loan and Trust, Niedringhaus United Methodist Church, Illinois Power Co., Triangle Park, Earl's Sporting Goods, Hershey's TV and the Granite City Press-Record.

ALSO, Casual Wear, Woolworths, Granite City Trust and Savings Bank, Hudson Jewelers, Leaders Department Store, Granite City Chrysler-Plymouth, the Business Equipment Center and the Calvo and Guzzardo law office.

underwent surgery to his arm Friday.

Cagle was transferred to the Madison County Jail Friday.

CHARGE MADISON MAN WITH DUI, SPEEDING

Kevin D. Hewlett, 25, of 815 Staunton Ave., Madison, was charged with driving under the influence of alcohol and speeding at 2:40 a.m. April 1, Madison and Niedringhaus avenues.

Hewlett allegedly was traveling 45 mph in a 30 mph zone in the 1700 block of Madison Avenue when his vehicle was clocked on radar.

He declined to take a breathalyzer test and his vehicle was towed. He was released at 4 a.m. Sunday after posting a \$102 cash bond.

dian, Eskimo and Aleut descent, the archimandrite serves as chaplain of the Alaska State Senate and House and also chaplain of the Juneau Correctional Center.

During the World War II years, Archimandrite Innocent served from 1942 until 1946 in the U.S. Navy Air Force. Immediately after the war, he was employed at General Steel Industries and attended courses at St. Louis University.

Later, he enrolled at St. Vladimir Orthodox Theological Seminary in New York, where he completed his studies in 1954. He also accomplished undergraduate work at Columbia University, New York.

The archimandrite was engaged in religious training work from 1954 until 1967 when he became the first native son of Illinois to be ordained in his own church—the Nativity of the Virgin Mary Eastern Orthodox Church in Madison.

Prior to his Alaska assignment, he pastored churches in Sioux City, Iowa, and Montreal, Canada, and was chaplain to the Most Rev. Metropolitan Irene, primate of the Orthodox Church of America.

Recently, he spent some time in meditation on a retreat at St. Tikhon's Monastery, a center for theological studies and spiritual enrichment in the Appalachian Mountains of Pennsylvania.

Archimandrite Innocent traveled to Greece and the Holy Land

last year, visiting Mount Sinai and historic locations in Jerusalem and other areas in the Holy Land, some of which are prohibited to the western traveler.

Access to these ancient landmarks was smoothly achieved through the kind intervention of a Roman Catholic mother superior, a friend of some years, now headquartered in Jerusalem, who spoke with authorities, Archimandrite Innocent explained.

In Greece, the churchman visited several of the 20 monasteries located on the peninsula of Mount Athos, the Holy Mountain. He stayed at the seven-story monastery of Simonopetra, a marvel of monastic architecture.

Considered the most daring building on the Holy Mountain, Simonopetra rises from a sheer cliff high above the sea on the southwest side of the peninsula.

The monastery was founded by Saint Simon who lived on Mount Athos about the middle of the 14th Century, and the first buildings were made possible by generous gifts from Serbian ruler John Ugljesa in 1364.

Archimandrite Innocent, however, had to journey to the Holy Land before he met spiritual leader Father Paisios of Mount Athos, who was meditating on Mount Sinai, he noted.

At the monastery, he also visited monasteries outside of Thessalonica, Greece, where entire families will go into a monastery.

Deadline tomorrow for nurse refresher signup

A six-week nursing refresher course sponsored by the Nursing Education Department of St. Elizabeth Medical Center is available for those persons who currently have an inactive Illinois registered nurse license. This course will review and update nursing skills and knowledge and will provide a means of returning to practice, primarily in the adult medical and post-surgical area of nursing, on a full or part-time basis.

Classes will meet Tuesdays, Wednesdays and Thursdays, April 17 through May 24, in the Nursing Education classroom in the McKinley School Building, 2200 Iowa St. The registration deadline is tomorrow.

The first 10 days will consist of classroom studies and a clinical lab which will meet from 10 a.m. to 4 p.m. The last eight days will cover clinical practice on a medical-surgical unit and will meet from 6:45 a.m. to 3:15 p.m.

Topics include an overview of nursing trends and roles; the nursing process; legal issues; documentation review; medical-surgical

emergencies and equipment; pharmacology update; understanding diagnostic examinations and nursing skills; a review of fluid, electrolytes and I.V. therapy; CPR certification; and clinical practice in patient care utilizing the primary nursing care concept.

The course consists of 117 actual hours: 35 hours of class content; six hours of clinical practice lab and 56 hours of clinical practice under the supervision of the SEMC Nursing Education Department staff.

This course has been approved by the Illinois Department of Registration and Education for those nurses seeking to activate a currently inactive Illinois R.N. license. The Illinois Nurses' Association has also approved the course for 165 contact hours of continuing education credit.

Registration cost is \$250, with the deadline for registration being Tuesday, April 3. Classes will be held to a maximum of 15 participants.

To register, or for more information, nurses may call Donna Fisher, Nursing Educator coordinator, at 798-3258.

82% valuation cut sought

By GARY SCHNEIDER
and BILL WINTER

Granite City Steel's assessment appeal to the state seeks an 82 percent reduction in plant spokesman confirmed Thursday afternoon.

"The appeal is basically the same, based upon the material presented to the Board (of Review) earlier. It seeks the same percentage as the original request to the county," the spokesman said.

The initial Jan. 3 assessment objection apparently was resolved Jan. 6. But the compromise—praised by government officials at a meeting Jan. 9—did not last.

AT A HEARING Feb. 2, steel officials verbally proposed a 20 percent reduction this year.

Their original complaint sought an 83 percent cut in Granite City and an overall (GC and Nameoki townships) 82 percent reduction, from a \$18,680,470 official value (\$1,553,490 assessment) to \$27,152,999 (\$9,050,999).

The three-member county review board decided Feb. 14 to reduce the steelmaking facility's assessed valuation \$3,589,110 or about seven percent for the 1983 tax year (1984 county taxes).

THE APPEAL to the Illinois Property Tax Appeals Board was filed at Springfield in mid-March.

It will pit against each other an appraiser—hired by the company to

prepare its complaint—and an appraiser yet to be chosen by a coalition of Quad-City area taxing bodies.

Largest local taxing agency is the Granite City school district. It has \$100,000 or \$300,000 or perhaps \$1,250,000 in yearly income at stake, depending on the extent of the assessment decrease.

CUMULATIVE IMPACT on all local taxing bodies would be about twice the effect on Granite City school.

Steel company officials say assessing here exceeds the level at many mills across the nation.

GC Steel valuations on which taxes were paid historically have resulted from mutual agreement, rather than government experts inspecting the site and developing a detailed list of estimated property values.

Assessment officials are concerned not only about GC Steel's valuation, largest in the local community's tax base, but also about precedents that might be taken note of by other taxpayers.

Illinois Power Co. also is asking the state appeals board to reduce the \$22 million valuation of its Wood River power plant to \$9 million or less.

It's hard to sleep when the power bill keeps going through the roof.

And according to the experts, things are likely to get even worse before they get any better.

But with a home improvement loan, you can keep the cost of energy from getting out of hand.

By doing all the things that'll help you keep more of the hot air you pay for in the winter. And more of the cold air you pay for in the summer. Things like storm windows, extra insulation, overhaul or replacement of your furnace or air conditioning system, and a lot of other things that'll help

you save money while you're saving energy. So come in and talk with one of our loan officers today. Because helping you get the things you need around the house is all a part of our bank's commitment to excellence in everything we do.

Lake School on agenda

Supporters and objectors of a proposal to rent out Lake School as a youth educational training center will be given an opportunity to speak at Tuesday night's city council meeting. Mayor Paul Schuler said. The program would serve both day and residential clients, needing more structured educational sessions. A similar program was conducted at the former Sailing School, under the supervision of Dr. Jared Balmer, who will explain his plans for Lake School at the upcoming council meeting. Schuler, who expressed disfavor for the school's potential location, said David Morgan will speak out against the proposal at the next council meeting. Morgan, director of the Granite City Housing Authority, oversees the Anchorage Homes for senior citizens, situated close to Lake School. First Ward Alderman Casmer Skubish said he has received calls from residents worried about the possible backgrounds of students and fearful they would visit the Anchorage area.

Regional plan viewed

Hiring for the proposed regional treatment plant system will continue to be carried out by the Granite City itself and council. Mayor Paul Schuler told council members. According to Third Ward Alderman Paul Fisk, pollution committee chairman, the staffing needs of the regional plant will be determined by an independent engineering firm, which will give its findings to the proposed regional board. Mayor Schuler, however, will continue making the staffing appointments, according to certain standards set out in an agreement with plant employees. The mayor said new employees would not necessarily be city residents. The council will vote on the regional agreement Tuesday.

Residential home dates

The first three units of a residential home for clients of Mental Health Services, Southern Madison County, Inc., will be ready for occupancy on June 15. The apartments will be located in the 3200 block of Niederrhaus Ave. The target date for occupancy of the final two units and the basement and recreational facilities is Sept. 1. The clients are currently residing on Edison Avenue.

Hiring list posted

The Granite City Board of Police and Fire Commissioners has released its latest list from which potential policemen will be selected. The list was compiled after candidates were given oral and written tests. Points also were added for being a veteran. The 10 candidates, in order of their rankings, are: Mark Eaveson, Mike Leisner, Randall Parks, Scott Jenkins, Jon Lakin, Brian Ropac, Richard Werth, Jon Langenstein, Jeffrey Conner and Walter Streicher. A total of 22 applicants are listed.

Weber probe continues Wednesday

Paul Verticchio, a prosecutor who is conducting a separate grand jury probe into allegations against Madison County State's Attorney Don Weber, said he will resume his investigation on Wednesday, April 4. Verticchio's special grand jury is investigating allegations of forgery, fraud and theft made by Belleville Attorney Arnie Cuetio. Verticchio was appointed as the special prosecutor after Cuetio issued his petition in the 3rd Circuit Court last August.

VERTICCHIO said he also will

review an order issued by Third Circuit Chief Criminal Judge Philip J. Rarick, as part of his investigation. The order calls for Keith Jensen, who resigned last week from the state's attorney's office, to become the independent special prosecutor into an investigation of the Madison County Board of Review and its assessment practices. The order lifts the investigation from Weber's control.

Weber testified last week before the special grand jury studying Cuetio's allegations.

Mehelic's trial postponed again

In court action Friday in the Third Judicial Court at Edwardsville, the trial of Nameoki Township Highway Commissioner Frank Mehelic was postponed again, this time being placed on the May 7 docket call.

Mehelic is to be tried on six counts of official misconduct. He had originally been charged with eight

felony counts of official misconduct, but two of these were dropped for no probable cause, the judge ruled.

Since his indictment by a county grand jury, Mehelic has remained free on a \$35,000 recognizance bond, which required the posting of only \$2 cash.

Briggs heads Demo committeemen in Nameoki Township

Nameoki Township Democratic precinct committeemen met last night and re-elected Harry Briggs, Nameoki Township supervisor, as the chairman of the committeemen.

Donald C. Rea was elected vice chairman and Cookie Zeffoff was picked as secretary-treasurer.

The committeemen voted to cast their ballots unanimously for Briggs as a "favorite son" candidate for county Democratic chairman during the first round of voting at tonight's Democratic Central Committee convention in Edwardsville. Then the committeemen will be free to vote for other candidates.

Announced candidates for Democratic county chairman are Granite City Street Superintendent Mac Warfield and George Donohoo of Wood River. The incumbent chairman, Christ Costoff, has announced that he will not seek reelection and is supporting Warfield.

Groves sets GCHS high, triple jump records

By CHARLIE SKAER
of the Press-Record

EDWARDSVILLE — Granite City High School junior Eric Graves wasted little time in putting his name into the school's record book this year.

Graves jumped 6-foot 8-inches Thursday in the track team's first outdoor meet of the year, breaking the school's high jump record of 6-foot 5-inches set by Don Smith in 1971. Graves also jumped 42-feet 8-inches in the triple jump Thursday to shatter the school's record of 41-feet 4-inches set in 1978 by Bert Houston.

Although the Warriors lost the dual meet to Edwardsville, Graves' jumping performance highlighted the afternoon event.

The new records seemed especially impressive considering the adverse weather Thursday hampering other jumpers — 40-degree temperatures combined with strong winds.

In the 10th annual Belleville East relays held Saturday, Graves and three other Granite City high jumpers combined for a 24-foot score to garner first place for the Warriors in the team event. Granite City's Jim Robertson also finished first in the 320-meter open run Saturday with a time of 52.8, while the distance medley team captured first place, too.

Graves also helped Granite City's triple jump and long jump teams to second place finishes Saturday.

HEAD COACH Pete Robinson made grandiose predictions before the season about Graves, who attended school in Leavenworth, Kan., last

year. Robinson said Graves had a shot at breaking records in the high jump, long jump and triple jump. Graves made good on breaking the high jump record by jumping 6-foot 8-inches Thursday in his second try at the height. Minutes later, he broke his own record by clearing 6-foot 8-inches on his third attempt at the height.

Graves scored the 42-foot 8-inch mark in the triple jump on his last of three jumps.

DAVE AMES, who is instructing Granite City's high jumpers and pole vaulters, said Graves' potential was evident from the start.

"He's got a great deal of natural ability," said Ames. "He's also a hard worker. He'll stay out there and practice jumping as long as we let him."

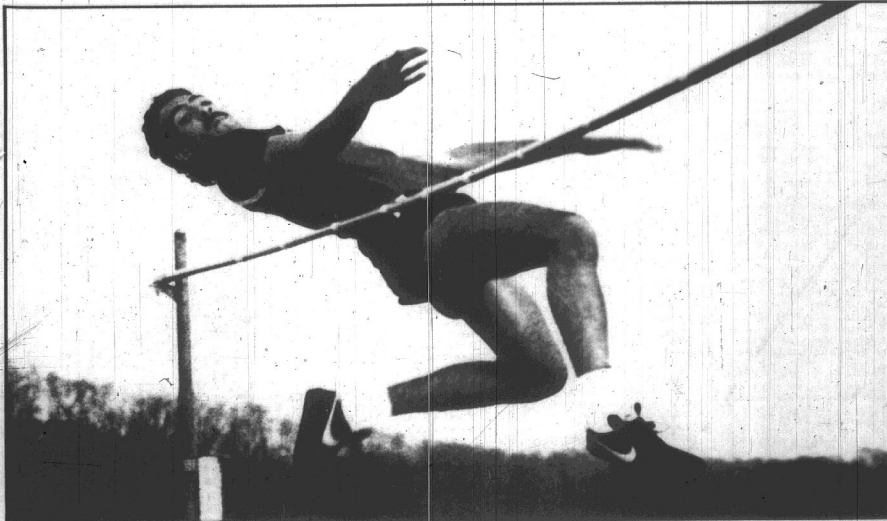

Ames said coaching may be making a difference in Graves' performance, especially in high jumping. Since form is an important part of the track event.

"He's getting a little coaching that he hadn't had before," Ames said. "I'm sure some of it is maturity, too."

Graves, whose father is in the Army and is presently stationed at the Depot, said his previous best in high jumping during a meet had been 6-foot 5-inches while in Kansas last year. He said his best triple jump mark is 45-feet, which he jumped in AAU competition.

As a transfer student, Graves received an adequate share of joking from fellow track team members after breaking the records Thursday.

"Where are you going to go next

ERIC GRAVES

year to break a record?" queried one member. Graves just smiled.

But the junior has had his share of shuffling around. Born in Harrisburg, Pa., Graves said his longest stay in one place was a three-year stint in Germany. Following that was a one-year stay in Kansas before transferring to Granite City this year.

ALL THE moving has apparently left the awkward-looking youngster directionally confused. Although he said Leavenworth was about a 45-minute drive from Kansas City, he couldn't remember in which direction.

"I'm not sure," he said honestly and smiled.

Regardless of the direction, Graves seems headed for a successful season at Granite City.

Breaking the long jump record may be his biggest challenge, for the 22-foot 8-inch mark set in 1935 by Claud Beeler is the school's oldest track record.

In addition to the field events, the Warriors appear to be strong in the longer distances. The Warriors finished first in the 320-meter run and 320-meter relay Thursday. Edwardsville, meanwhile, had easy victories in the 200- and 100-meter dashes, the latter which Edwardsville swept with runners finishing first, second and third.

AT BELLEVILLE East Saturday, Granite City finished third in both the sprint medley and the low hurdle relay, while placing fourth in both the 320-meter relay and the high hurdle shuttle. The team also finished fifth in the discus competition.

GCHS girls finish second

O'FALLON — The Granite City Warriors finished second in a girls' track meet Friday, losing by 10 points to home team O'Fallon.

O'Fallon finished with 91 points, followed by Granite City with 81, Waterloo with 25 and Collinsville with 33.

Lisa Wiser put in a top performance at the meet, finishing first in the 400-meter run with a time of 65.8 and anchoring the team's first-place 800-meter medley and 1600-meter relay.

"In both relays, we were losing

when Lisa got the baton," said head coach Pete Robinson. "She had an outstanding day."

Down Finn finished first in both the 200- and 100-meter hurdles with times of 33.5 and 17.04 respectively. Traci Rose won the 300-meter dash with a time of 27.6.

Robinson said Granite City could have won the meet if all members of the team were healthy. However, the Warriors are having to do without the services of Michelle Shepmaker, who turned her ankle in an indoor track practice, and Laura Wiser, who is having knee problems.

A Season Preview

Nine returning letter winners should make Trojanettes strong

By PAULA WISE
of the Press-Record

MADISON — The Madison Trojanette girls' softball team will be opening its season this week with a pair of games.

Thursday, the Trojanettes will host the Dupo Tigrettes in a 4 p.m. contest. Friday, the Roxana Shellies will travel to Madison for another 4 p.m. matchup.

Coming off a dismal 2-6 season last year, the Trojanettes are looking to improve their play this season. With nine returning letter winners, their chances of accomplishing this feat are very good.

COACH CAROL Cole will have six girls returning who have been with the Trojanettes since Madison High School began organized softball in 1982.

Angelette Dandridge, Kim Stanley, Tasha Carter, Lisa Prothro,

Stephanie Walker and Missy Scrum will head the list of experienced players for the Trojanettes. Coach Cole feels these players may be the key to the success of the Trojanettes this season.

"We have pretty good depth at all positions this year," said Cole. "It looks like we may have some good pitching too. Last year we walked so many people, but this year the pitchers have better."

BOBBY Harris, last year's pitcher, looks to be the starter for the Trojanettes again this year, but three other girls are likely to share the pitching duties. Abigail Heard, Kim Goes and Harelyn Wilson have been impressive so far in practice.

Defense looks to be the Trojanettes' biggest asset this season. Especially in the infield where the Trojanettes will have four returning letter winners.

Kim Stanley will anchor the Trojanettes infield from the shortstop position. Angelette Dandridge is likely to be the starting first baseman for Madison, while Lisa Prothro will be starting at second. Stephanie Walker looks to be the Trojanettes' third baseman. The starting outfielders for the Trojanettes are still uncertain.

TEAM SPEED will also figure prominently in the Trojanette game plan. "Our strongest point will have to be defense," said Coach Cole. "We've got some pretty good speed too. Kim (Stanley), Stephanie (Walker), Lisa (Prothro) and Robyn (Harris) are all pretty fast."

Hitting may prove to be the Trojanettes' biggest problem this season. Like most area players, the Trojanettes are accustomed to playing slow pitch softball and it is difficult for them to make the transition to fast pitch.

and scored in every inning of the 6-inning game, which was stopped early because of the 10-run rule.

Down 14-0, Madison scored two runs in the bottom of the fifth in a quickly-ended comeback attempt.

Tim Carriel of Althoff dominated for Althoff, going two for two at the plate, scoring three runs and stealing two bases. Althoff's Ted Skrabacz went two for three and Ron Feher drove in two runs.

Madison's third baseman Jim Smith went one for two at the plate, connecting on a double that drove two runs in the fifth. The double was Madison's sole hit of the game.

Mark Succarotte was tagged with the loss, pitching three and one-third innings. Dennis Shea was credited with the win for Althoff.

The Trojans are scheduled to play four back-to-back home games this week, starting with Roxana today, Lovejoy on Tuesday, East St. Louis on Wednesday and Dupo Thursday.

Cougars sweep St. Mary's College

By AL BARNES
of the Press-Record

EDWARDSVILLE — The baseball Cougars of Southern Illinois University at Edwardsville extended their season record to 10-5 with a four-game sweep of a visiting St. Mary's College nine from Minnesota over the past weekend.

It is the best start for any SIUE baseball team since Coach Roy E. Lee inaugurated the sport at Edwardsville in 1968.

The Cougars, who returned from their southern trip with a 6-5 record, swept a pair Saturday by defeating the Redmen of St. Mary's, 4-0, and 1-1. Then, yesterday on a sun-drenched Cougar diamond, Coach Gary (Bo) Collins' Cougars trounced the Minnesota team 14-7 in the leadoff game of a twinbill and then closed out the weekend's session with a 4-2 victory.

Scott Haberl, a slugger from Dupo High who starred for the Belleville Area Junior College Dutchmen, continued his slugging in the four games. In Saturday's first game he was stopped, but rebounded with a vengeance by walloping a three-run homer in the nightcap.

Then in Sunday's opening game he again had his hitting uniform on as he drove in four runs and upped his

season RBI total to 26. His big blow was a triple in the leadoff frame. He followed that effort up with a one-run double in the second frame.

Doug Orban, slick-fielding shortstop from Brighton, Ill., also continued his sensational hitting by collecting two runs-batted-in Sunday's leadoff game and going two for three in the nightcap. Going into the weekend four-game series, Terry Cochran was hitting .462. Dan Allaria was zooming along at a 432 pace. Tom Zielinski, who is vying for the regular catching slot, was hitting at an unbelievable .455 clip.

Other Cougars off to a great start at bat are: Jackie Baugher (.371), Charles Hodges (.350), and Davey Jones (.310).

The Cougars were not only hot with the bat, they got some really outstanding pitching in the four games, too.

Southpaw Jim Scheibel, the pride of Edwardsville, racked up his first shutout in Saturday's game. Freshman (from New Baden) John Broesmer was Saturday's second winner. In Sunday's leadoff game, Collins had to call on four hurlers: Jeff McDaniel, Ave Jones, Tony Deunas and Erik Carter. The left-handed Deunas was the most impressive of the lot.

In Sunday's finale, Collinsville's

Pete Delkus' was brilliant for five innings and had the Cougars winning going away, 4-0. In the sixth, Collins inserted Chaun Wilson, who looked real good last season in relief, but who ran into trouble and was touched for the losers' two tallies.

So, in the seventh, Collins called on his quickly becoming ace of aces at most all positions, Jackie Baugher, to finish the game on the mound. After retiring the first two batters, he ran into a little control problem and walked a pair.

St. Mary's centerfielder, Derek Straight, gave the crowd a thrill when he connected with a fast ball of Baugher's and drove it deep into centerfield.

But, not to worry. Freshman Tom Klenke, at the crack of the bat, took off and pulled the ball down right at the fence in deep center.

Today, the Cougars play St. Francis College of Joliet in a twinbill starting at 12:30 p.m. St. Francis enjoys a 4-2 lead over the years in their series with the Cougar. Wednesday, the Cougars travel to Muscatine Field for single game against St. Louis U., and then, still on the road, take on the U. of Illinois at Champaign in a twinbill. And, then Saturday, back home, they'll play Quincy College a pair.

Cardinals celebrate Busch's birthday

ST. LOUIS — St. Louis baseball fans, dignitaries and elected officials have been invited to join with the St. Louis Cardinals for "Gussie Busch Day" April 15 at Busch Stadium, honoring August A. Busch Jr., on the celebration of his 85th birthday.

"We decided to throw a party for Mr. Busch's birthday," said Joe McDonald, Cardinals general manager, "and we're inviting every fan in the area to help us celebrate."

Prior to the 1:15 p.m. game between the Cardinals and the Pittsburgh Pirates, Busch, chairman and president of the Cardinals and

honorary chairman of Anheuser-Busch Companies, Inc., will be honored for his recent birthday and recognized for his 31 years of Cardinal leadership.

Every fan attending the game with a paid admission will receive a read plastic replica of the famous "Gussie Busch Cardinal Cowboy hat," compliments of Busch.

The Cardinal Cowboy Hats are Mr. Busch's way of saying thanks to St. Louis Cardinals fans for their support of the team through the years," McDonald said.

In 1953, Busch learned that the owners of the Cardinals were con-

templating moving the franchise from St. Louis. Busch was strongly opposed to such a move, and subsequently negotiated the purchase of the Cardinals by Anheuser-Busch, Inc.

The Cardinals remained in St. Louis, and under Busch's leadership went on to capture three World Championship titles in 1964, 1967 and 1982, and one National League pennant in 1967.

For additional information on "Gussie Busch Day" April 15 at Busch Stadium, persons should contact the St. Louis Cardinals at 314/421-3066.

The Quad-Cities Soccer Association is forming spring outdoor soccer leagues for men and women over the age of 25.

These leagues will begin the week of April 23 and continue through the end of June. Team registration will be \$200 for a 10-game schedule. There will be no limit on the number of players on the roster.

Any team or individual interested in competing should call the Quad-Cities Soccer Hotline at 877-1282 for further information. All registrations must be received by April 7 so schedules can be prepared.

Class B softball tournament

A class B slow-pitch softball tournament is slated for April 12-15 at the Madison diamond at Third and McCambridge Streets.

Team managers wishing to register for the pre-season tourney should contact either Gene DKuehnelt at 876-3591, Ray Jones at 451-8128, or Phil Boyer at 797-1766.

Then entry fee is \$75.

MAC baseball, softball signup

The Mitchell Athletic Club will register boys and girls this Monday and Tuesday, April 2 and 3, wishing to play in its summer baseball and softball leagues.

According to MAC spokesman Myron Merz, all youths in the Quad-Cities area ages six to 15 may register from 6 to 8 p.m. at the Mitchell Elementary School. To be eligible to play, youths must be seven years old by Dec. 31, 1984.

The registration fee is \$15 and an additional \$10 for each family member after the first.

The organization is also looking for umpires for this summer's league. Persons wishing further information about registration or umpiring should call Merz at 931-1218.

Madison Rec. taking field reservations

The Madison Recreation Department is currently accepting summer softball tournament reservations for the Madison Softball Diamond located at the corner of Third and McCambridge Ave.

The diamond may be reserved for weekend tournaments, Friday through Sunday, beginning June 1 through September 1.

Anyone interested reserving the diamond for a team tournament or planning a benefit should contact the Madison Recreation Department at 877-6418.

The user fee for the diamond will vary depending on the tournament size.

YMCA begins Kindernastics

The Tri-City Area YMCA will begin a new Kindernastics class on April 7. The class will run for four weeks, meeting Saturdays from 10:45 to 11:30 a.m. The class is for children ages three to five years old. Children participate in group activities and games. The class allows the child to experience balance, taking turns, sharing, and discovering

body parts and actions.

Children will experience making decisions and interacting with children their own age.

Class fee is \$5 per child. For more information, persons should contact the YMCA at 876-7200.

Nelson's accepting summer teams

Lord Nelson's Sports Complex is still accepting teams for the slow-pitch softball summer league. It's accepting men's, ladies' or co-ed teams.

Play will start April 30 with play-offs beginning Aug. 20. ASA rules will be used.

A meeting will be scheduled later at which time schedules will be given out.

Leagues are being formed for any night of the week. For information, persons should call 931-6338.

McBride camp signup

The Pat McBride Soccer Camp has begun accepting applications for its 14th season of operation. This summer, the camp will offer four one-week sessions for boys ages 7-17 at Lindenwood College in St. Charles, Mo.

Sessions are scheduled June 10-14, June 17-21, June 24-28 and July 8-12. A one-week session costs \$100 for commuters and \$165 for dormitory residents.

Pat McBride, head coach of the Kansas City Comets of the Major Indoor Soccer League and last season's MISL Coach of the Year, heads a camp staff which includes Kevin Kelly, head coach at Meramec Community College in St. Louis, and Bob Brunette, coach of two-time U.S. Amateur Cup champion Busch of St. Louis. College players will serve as counselors.

Lindenwood's facilities include a lighted artificial turf stadium, grass fields, a swimming pool, cafeteria and air-conditioned dormitories. Information on the camp may be obtained by writing Pat McBride Soccer Camp, 721 Davenport, St. Louis, Mo. 63123 or by calling (314) 631-7114.

Debut Tonight Against Marquette
Devilettes 'anxious to get started'

By PAULA WISE
of the Press-Record

VENICE — Experience looks to be the key to success for the Venice Red Devilettes as they open their softball season tonight against Marquette.

Seven returning letter winners should provide that experience for first-year coach Rick Everage.

"The seniors should provide the leadership on the field. Also, the freshman from last year should come around and prove that one year of experience makes a lot of difference," said Coach Everage.

Leading the way for the Red Devilettes are seniors Letitia Miller, who will probably be starting at shortstop, and Jackie Chatman who will start at either catcher or third base.

Chatman also figures prominently as one of Venice's best hitters. Although hitting has posed a problem for the Red Devilettes in the past, Coach Everage feels it will not be a weakness this year.

"Both of the seniors are excellent hitters. Jackie Chatman is probably our most powerful hitter, but Letitia (Miller) and Rosetta (Harmon) can hit too," said Coach Everage.

When Rosetta Harmon is not hitting the ball she will be throwing to the hitters since she is the probable starting pitcher for the Red Devilettes. Junior, Cassandra White will be the other Venice pitcher.

Coach Everage feels his team's biggest asset this season will be a strong infield, however, inexperience in the outfield may cause problems for the Red Devilettes.

"On the days we've been able to get out there, the infield looks pretty much together, but we have a lot of problems in the outfield. I really haven't set an outfield yet," said Everage.

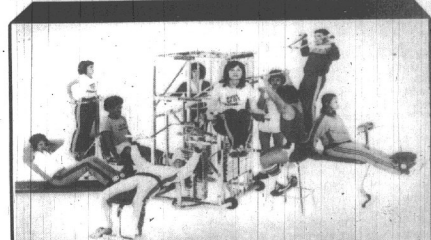

"We have seven strong starters

but the other two positions, left field and center field, are up for grabs. Right now it looks like two freshmen, Wakita Walker and Candice Gray will probably get to start."

Despite the weaknesses in the outfield, Coach Everage feels his team will be competitive this season. Rebounding from a 3-9 season last

year, the Red Devilettes are hoping to end up with a better than .500 record this year.

"I believe we have just as much talent as last year and in the past and I believe our record will show it. With the talent and skill we have we should be .500 or better," said Everage. "We're just anxious to get started."

Madison discusses way to 'slow down' rate hikes

Members of the Madison City Council approved a motion last week which asked the attorney general to intervene in proceedings concerning utility rate hikes.

The motion came after notices were received from the Illinois American Water Company and Illinois Bell Telephone. Telling of their requests for rate hikes.

Mayor Mike Sasyk said that he felt something had to be done to "slow down all of the things that are hitting all at once with these things and the big problem is that there is no comprehensive method available of auditing these utilities' books to see if a raise is justified."

SASYK SAID that he had spoken with Granite City Mayor Paul Schuler concerning the motion and Schuler had agreed to bring up similar legislation at the Granite City meeting. (A similar motion was passed in Granite City). Sasyk said he also intends to notify Venice officials of the motion.

"Something has to be done to get through to the ICC (Illinois Commerce Commission)," he said, adding, "and we've tried just about everything else."

In other business, Alderman Robert "Don" Reeves, who was serving as a city official for the last meeting before his retirement, told the council of his victories and defeats as a councilman.

"THROUGH THE YEARS, I've been quite honored to sit with so many nice people (on the council) and work with such good appointed officials," he said. "I also have had the pleasure of working with many active mayors."

"But there are two things that the council did while I was serving that really turned out badly. Those are the trees that we bought...and having the industrial park situated so that the taxes ran out as they did."

Reeves was first referring to the trees that the Madison City Council purchased in the early 1960s, so that the city would have some shade. When the aldermen were looking in to the project, they were told that the trees' roots would go straight down. A large quantity of these trees were

Arrest alleged troublemakers at Madison business

After allegedly creating a disturbance and frightening women employees at the Dairy Queen, 665 McCambridge Ave., Madison, last week, three St. Louis men were arrested by Madison officers.

One of the men, Richard Lee Wentzel, 26, was charged with two counts of battery, two counts of disorderly conduct and criminal damage to property.

In an appearance at the Granite City court, Wentzel pleaded innocent to all charges. Bond was set at \$1,500 and a mittimus was to be issued, but he was released after posting a \$392 cash bond.

The other two men were Edward Alan Schenk, 24, who was charged with public indecency and disorderly conduct and was released after posting a \$150 cash bond to appear in court April 27, and Donald Ray Pyatt, 21, who was charged with disorderly conduct and was released pending an April 27 court appearance.

Police first went to the business place just after the threesome had left and were told that the men had made numerous obscene remarks and gestures to women employees, resulting in one woman refusing to serve them.

The three allegedly cursed and threatened a male employee when they were told to stop their actions or leave.

One of the men allegedly came around the counter and kicked an employee, who had picked up a knife to protect himself, and then ran to the kitchen area where a pregnant employee was shoved into another woman, also pregnant, reports said.

A wall telephone was disconnected and thrown into the street, officers were advised.

The trio then left in a car with Missouri license plates and officers were unable to locate the vehicle.

However, the men allegedly returned to the restaurant 90 minutes later and were taken into custody at Fourth Street and McCambridge Avenue about 20 minutes afterward.

Marriage licenses

Marriage licenses issued through the office of Miss Evelyn Bowles, county clerk, Edwardsville, to Quad-City residents, include:

Curtis Neal Lloyd and Nancy Jane Schneke, James R. Baker and Rebecca G. Frost, Kenneth R. Boggs and Georgia Kay Wagner, Jeffrey D. Brown and Katherine L. Rogers, Jerry C. Conner and Katherine Louise Monroe, Dennis E. Cooper and Edna J. Bigham, David E. Harkey Sr. and E. Jean DeVine, Jim E. Hutchings and Karen Sue Denison, Michael J. Lombardi Sr., and Retta B. Cotter, all of Granite City. John A. Busto and Sandra K. Woodson, Mile Obradovic and Mathilda York, Glenn A. Lane and Tammy S. Donaldson, all of Madison. Stephen John Bergeron, Santa Clara, Calif., and Rebecca N. Clay, Granite City. E. Dewayne Terry, Granite City, and Ruth E. Mylenbusch, Cahokia. Everette Oliver Baker, Venice, and Hazel Inez Davis, St. Louis.

planted along the streets, in between the curbing and the sidewalk.

UNFORTUNATELY, the trees' roots did not grow straight down and, as a result, they have torn up numerous sidewalks in the city, causing money and time to be spent on their repair.

Reeves' reference to the industrial park, is aimed at the 40-year leases that were agreed upon by the city. According to the leases, the companies were to pay the city rent for the first 20 years of the contract. The city, in turn, would pay the companies' property taxes for them.

But after the first 20 years, the companies are not required to pay rent any longer. They will just be required to pay their own property taxes.

AMEDCO STEEL'S lease, the first company to finish the first half of the 40-year contract, will be up in 1989. The rest of the companies' contracts will be up at various times, ending sometime in 1991.

According to a prediction by the former Madison City Comptroller, Al Hudzik, the city will lose substantial sums of money beginning in 1989 because of the terms of the

agreements.

Reeves also expressed his opinion that the new Illinois Open Meetings Act has caused some hardships for the council. "It probably would be better if the council members were allowed to caucus privately before the meetings began. This way we could finalize plans for a project and then bring them in for public information. The way it is now, we are having to answer questions about projects while they are still in the developmental stage — before we really know what is going to happen."

THE MEETING ended on remarks by Sasyk. "We're sorry to see you go, Don, because you've done an outstanding job on the council and, like I say, you've been very conscientious," he said. "I hope you'll still be coming back to visit us."

GC BPW Club elects new officers

New officers to serve the Granite City Business and Professional Women's Club were elected at the March meeting of the organization held at Engelbert Hall in Madison.

Those to take office for the 1984-85 year include: Joyce Bennington, president, insurance broker for Froemming Agency; Carolyn Smith, office manager for Jim McRobertson in Belleville, first vice president; Rebecca Slate, coordinator of adult volunteers at St. Elizabeth Medical Center, second vice president; Ramona Burnett of Granite City Steel Insurance claim department, secretary; Jeanne Hornberger, co-owner of Adams Ltd., treasurer; and Rose Stephenson Harris of Missouri Blue Cross-Blue Shield, elected to a three-year term on the club Scholarship Committee.

Delegates and alternates to the April state convention to take place at the Sheraton Hotel were also elected.

The program for the night was presented by Rosalie Stern and featured Jack Bailey and Mary McCormick, public relation managers for Illinois Bell Telephone.

Their topics was on the breakup of the Bell System and the affect on consumer billing and service. After their talks a question and answer session was held with members participating.

A guest, Annabel Woodring, first vice president of the Illinois BPW, announced that a member of the club, Annellen Smith, immediate

past president of the Illinois Federation has been appointed to a National Task Force on membership.

Other members of the task force will be Dr. Cress of New York state and Virginia Allen of Michigan, a past national president and former Under Secretary of State.

The Task Force project is a study

of the Transition of Women in the Market Place, it was noted.

The next meeting will be on April 18 at the Granite City Bowl with LaVelle Stephens, serving as chairman, for the annual Public Relations and awards night.

Anyone interested in attending is advised to contact Mrs. Stephens at 876-5684.

Club hears of distant lands

Mrs. David John entertained the Lesche Literary at it's March meeting in her home. She served a dessert luncheon to 14 members and an associate member, Hannah Kleinschmidt. The meeting opened with the Pledge of Allegiance and the club collect, led by Geneva Miller and Peggy Stevens.

After calling the meeting to order, Bess Henley, turned the meeting over to Program Chairman Catherine Schipper, who introduced Ruth Ann Bartels. She presented a program on the Sahara Desert, The Cynthia Tribe of Russia, Zimbabwe and the Jungle at Ankor Wat in Cambodia. The program was prepared by Marian Skinner and gave insight into these civilizations.

Reports were given on the status of Friends of the Library and club's continued sponsorship of the Garret Kelo Literary Award for original essays by the high school-level authors. Discussion also followed on the possibility of sponsorship a creative writing contest for younger children.

The nominating committee presented the following slate of officers for the 1984-85 season: Catherine Schnipper, president; Connie Stroehde, vice president; Virginia John, secretary, and Burdine Holtzsch, treasurer.

Further plans were discussed for the annual President's Day Breakfast, scheduled for May 8. The April meeting will be in the home of Verna Stuart.

Other members attending were Mary Ann Cochran, Marie Gordon, Jerry Jackson, Marie Klein, Ted Veihl, and Lois Holsinger.

Nameoki Women's Club to elect April 19

The Nameoki Women's Club held its March meeting, last week, at the Harold Brown Recreation Center, and considered a slate of officers presented by Marie Schaefer, nominating committee chairman.

Candidates to be elected at the April 19 meeting included: Elsie Rodell, president; Mary McCollum, vice-president; Olga McMurray, recording secretary; Mildred Jungles, treasurer; and Marie Isenberg, corresponding secretary.

Hostesses, Marie Isenberg, Elsie Rodell, Mary Werner and Mary McCollum, served a dessert course, prior to the meeting, at tables decorated in keeping with St. Patrick's Day.

The invitation was given by Mrs. Ethel Beeler and roll call registered 16 members present! Mrs. Beeler, president protem, presided and led

the group in the pledge to the flag.

A report was submitted by Bernadine Cooley, treasurer.

Rose Summers, a guest of Mrs. Marian Shelton, was introduced during the session.

Also announced was the club selection of Whitney Shelton, a junior student at Granite City High School, who will receive the club's summer art scholarship. She will attend classes at the University of Illinois in June.

Mrs. Millie Meek led the club collect and the remainder of the day was spent in playing crazy bridge.

Others attending were, Mildred Branding, Mildred Jungles, Mary McCollum, Olga McMurray, Veda Norton, Elsie Rodell, Donna Schaefer, Marian Shelton, Irma Taylor, Ella Wade and Mary Werner.

Leader's Day Fair April 7

Between 300 and 500 adult Girl Scout volunteers are expected to attend the Leader's Day Fair sponsored by River Bluffs Girl Scout Council at the Belleville Area College gymnasium in Belleville, Saturday, April 7, from 10 a.m. to 3 p.m.

This event is an opportunity for volunteers and those interested in volunteering to attend personal growth training courses in an effort to increase the value and attractiveness of giving service to Girl Scouts.

Our goal is to provide all participating adults with a fun-filled program that will introduce them to the five Worlds of Girl Scouting which include: "The World of Today and Tomorrow," "The World of Arts," "The World of Well Being," "The World of People," and "The World of Out of Doors." Those attending will have an opportunity to participate at informational booths such as microwave demonstrations, computers, the WIC program, "petty" and faucet shop, coupon power, Oasis Women's Center, home decorating, rape crisis center, cosmetics demonstrations, Country

Doll Shop (bring your old doll for an evaluation), "N That Shop" (restoration of old photos), hair styling, color draping, and Treehouse Wildlife (talk to "Big Owl") — just to name a few.

Special workshops on Personal Growth, Basic Aid Training, Stress Management, Breast Diagnostic procedures and Working with Special Children will be added features. And — on center stage there will be karate, aerobics, Irish and German folk dancers, Cadence Cloggers and much, much more. Door prizes will also be given, council officers said.

There is no charge for the event and registration is not necessary. Any adult is eligible to attend. T-shirts and patches may be ordered at the event site. Lunch will be available at the cafeteria or sack lunches may be taken, they added.

Revised insurance plans in program of Golden Agers

A discussion of the changes in the Medicare payment to Blue Cross and Blue Shield was the main topic of discussion at a monthly meeting of the Golden Age Circle Club of Kirkpatrick Homes, held last week, at the Anchorage Recreation Hall.

President Ruby Corbett gave the invocation and pledge to the flag to open the session.

The group also discussed the proposed use of Lake School as a rehabilitation center for youths from 10 to 18 years of age.

Plans were finalized for an April 10 potluck dinner set for noon.

Birthdays were celebrated and cakes, donated by Vi Scrivner, Philomena Gruber and Pauline Cox, were served.

Game winners included Art Lindner, Loretta Wysocki, Cleveland Cox, Pauline Cox, Carrie Hart and Martin Schute with the attendance award going to Mrs. Corbett.

AEROBIC DANCE CLASS BEGINS TONIGHT AT 6

An aerobic dance class will begin tonight at the Spartan Health Spa at 6, 7 and 8 o'clock. For the current members the classes are free and non members the first session will also be admission free, according to the announcement.

For further information those interested are to call 931-1500.

E. A. KARANDJEFF
Chairman
GRANITE CITY TRUST

Q: I heard a rather unusual term a few days ago. I wonder if you could explain what is meant by "cats and dogs" taxes?

A: "Cats and dogs" taxes (as in "raining cats and dogs") is a little bureaucratic term coined on Capitol Hill. It describes the search for what has been termed "a bunch of little ... taxes which can produce a lot of money." These taxes are just in the proposal stage, but may change the tax structure substantially in the next decade. A few examples are: (1) Base Broadening, whereby Congress could broaden the tax base without having to resort to a flat income tax. In this case, some advances have been made. Social Security and unemployment benefits have already lost their former tax free status. This could include the taxation of part of the health insurance included as an employee fringe benefit, the trimming of tax write-off thresholds, etc. (2) An income tax surtax. A proposed 5 percent surtax proposal died last year. (3) Doubling federal taxes on liquor. (4) Reinstatement of the 10 percent federal luxury tax. (5) And, last but not least, bringing pressure on everyone to pay the federal tax they should, thus lessening the pressure for higher taxes.

Rollettes meet at Tinsley residence

Members of the Rollettes Club gathered at the home of Mrs. Connie Tinsley, 1619 Spruce St., for a social meeting, last week. Winners in the games for the night were, Joyce Waller, Kathleen Wolford, and Evelyn Gordon. A Mexican food buffet was served by the hostess to those named and to Edith Wolford, Helen Warfield, Jeannette Wilson and a guest, Kathi Chandler. The next meeting will be with Mrs. Gordon, 2584 Boyle Ave.

MRS. KADANECH HOSTS HANDICRAFT CLUB

Mrs. Irene Kadanech served a dinner in her home prior to the business meeting of the Handicraft Club, Thursday. President Mrs. Ann Mega presided and after discussions of interest to the members, card games were played. Prizes were awarded to Mrs. Frances Vivod and Mrs. Alexandra Severine. Others present were, Gladys Skubish and Katie Fedora. The April gathering will be with Mrs. Vivod, it was noted.

Spring Style Show at Women's Club meeting

The Madison County Christian Women's Club will feature "Spring Into Fashion" at a luncheon Tuesday, April 10, at noon. The two-hour luncheon program will be held at Randy's Restaurant in Troy. Ann Van Dyke from the Mary Ann Shops of Edwardsville and Collinsville will present spring styles for a variety of figure types. Special music for the day will be presented by soprano soloist, Susan Morris, from Troy. Mrs. Jo Gordon, from Muscatine, Iowa, will be the guest inspirational speaker. Her talk is called "Happiness Is". Mrs. Gordon is a color coordinator and is involved with fashion design, wardrobe planning and interior design. The cost of the luncheon program is \$4, payable at the door. A free nursery for the pre-schoolers will be provided at the Quality Inn Motel located right next door to Randy's Restaurant. Reservations for the luncheon and nursery are essential and can be made by calling Beverly 667-2259 or Nancy 656-1330 by noon Friday, April 6th.

Announcing Our VIP - IRA or ... Why Your I.R.A. Belongs At Madison County Federal

The V.I.P.: It's designed for very important people - like you. We invite you to compare. We believe our I.R.A. service is second to none, because customer service is our most important asset - that's just one reason we're a little different and a lot better.

Two I.R.A. Plans

The Classic: Designed for people who do not have a lump sum \$2000 to \$4000 to deposit. Open your account for as little as \$100. Add \$100 whenever you desire. Earn 8% until you've accumulated \$1000 - then select the maturity you desire and earn our high interest C.D. rates.

The Customizer: Offers maximum flexibility. Select the term you desire from one to ten years or almost anything in between. Your rate will vary according to the length of maturity but, whatever term you select you enjoy all of the I.R.A. tax advantages. And we'll show you how you can double your investment in between six and seven years. Minimum deposit \$1000.

Special Features at Madison County Federal

- No hidden charges or annual fees when you open your I.R.A.
- No commissions or service fees charged by brokerage firms.
- Automatic renewals if desired.
- Receive renewal notification.
- Choose your own term - one to ten years.
- Open an I.R.A. for as little as \$100. Make additional \$100 deposits at your option.
- Enjoy high interest earnings.

Blue Ribbon Service: (Illinois only)

Designed for the busy person. Open your I.R.A. in your home or office. Follow the 1-2-3 easy steps - and we'll guarantee ten minute Blue Ribbon Speed Service.

1. Call your local Madison County Federal Office before noon and ask for I.R.A.
2. We'll ask you a few questions and deliver your I.R.A. application to your home or office before 8:00 p.m. the same day.
3. We'll return and pick up your completed application and check at your convenience or you can bring your completed application to the Madison County Federal office in your community.

Evaluating the Primary is GOP Women's program topic

A program at the fourth Saturday luncheon meeting of the Granite City Republican Women's Club was a panel of members who served as election judges, and led a discussion on the subject of "Evaluating the Primary."

Panel members, Anne Pare, Irma Taylor, Louise Thompson, Emma Schoen and Gladys Pope, talked on the topic and concluded with the consensus of opinion that the worst violation is electioneering in or close to the voting poles and the saddest point is voter apathy.

Chairman Vernice Walter presided at the session that was opened by Mrs. Louise Thompson, Americanism chairman, who led all in repeating the pledge to the flag. She also read a poem about Abraham Lincoln.

Mrs. Thompson announced she and Mrs. Irma Taylor will join the annual patriotic organizations pilgrimage to Lincoln's Tomb on April 14.

In other business, Janet Krasne

thanked all who brought or sent items for the "paper shower" held for Alpha Center for Women. A special tribute was also made in memory of a member, the late Mabel Stewart.

Eva Meier gave a review of a new book by Congressman Guy Vander Jagt, (R) of Michigan.

Announcements included the Madison County Federation of Republican Women who will hold its annual meeting on April 16 at 10 a.m. at Waltons in Cottowood Station. For reservations those interested are to call 876-5748 by April 10, the chairman noted.

Also, the Spring Conference of the Illinois Federation of Republican Women will be held in this area May 18-19, with details of the event to be announced later. The next fourth Saturday luncheon is scheduled for April 28 featuring County Chairman Eleanor Shulte of Edwardsville, as the featured speaker.

Chaplain Ruth Lucas offered the benediction.

Straubinger-Donley

The wedding of Miss Jill Alane Donley, daughter of Mr. and Mrs. Jerry Donley, 2329 Arnold Drive, and Vincent Leo Straubinger, son of Mr. and Mrs. John Straubinger, 2425 Pine St., was solemnized on Jan. 28 at St. Mary's Roman Catholic Church in Madison.

Officiating at the 2 o'clock afternoon service was the Rev. Frank Kordek. Nuptial selections were provided by Larry Heagy.

Miss Dolores Straubinger, a sister of the groom, served as maid of honor with bridesmaids, Loretta Straubinger, another sister of the groom, Lea Ann Baker, Lynn Jeffries and Julie Donley, the bride's sister.

Brenda Fritzsche, a cousin of the bride, was the flower girl, and Steven Williams, a nephew, served as the ring bearer.

The groom chose his brother, Frank Straubinger as best man. Dave Weissenborn, Jim Bilyeu, Joel and Jeff Donley, brothers of the bride, John Van Buskirk, and Don Allen, completed the corps of groomsmen and ushers.

Mr. Donley escorted his daughter down the white carpeted aisle and gave her in marriage.

A reception for guests was held at Engelbert Hall in Madison, and Mrs. Mary Ann Williams, a sister of the groom, presided over the guest book.

Both young people are graduates of Granite City High School North. The bride is employed at A. G. Edwards & Sons in St. Louis, as a municipal bond inventory controller.

The groom is working as an auto mechanic at Barney's Brake & Wheel Alignment and was also graduated from Bailey Technical School in 1977.

A rehearsal dinner was hosted by the groom's parents at Ravanelli's Restaurant, on the night before the wedding.

The newlywed couple resides in Granite City.

Good Friday production at local Church of God

In February 1979, a new Dallas Holm and Praise record album was released entitled "His Last Days" which was thought to be his latest recording.

To Christian Churches the theme of the religious songs provided a different approach and therefore inspired a production at a local church.

Members of the Church of God, 1205 W. Pontoon Road, has taken this musical album and set it to live pantomime characters using dynamic lighting and sound effects with nar-

ration, bible era costumes and several speaking parts.

The program, directed by Lyn Cloninger, will be presented on Good Friday, April 20, at 7 p.m., Saturday at 2 p.m. and on Sunday, April 22, at 4:30 in the evening.

Host minister, the Rev. Tom Edwards announced the performance will trace the life of Jesus Christ from his entry into Jerusalem through his last days until death.

The public is invited to attend the fifth annual Easter presentation, Rev. Edwards added.

Local Methodist women attend quadrennial meet

In keeping with the theme of Kaleidoscope of Love, the quadrennial meeting of the North Central Jurisdiction of United Methodist Women met last week for a three day session at the Red Carpet Hotel, Milwaukee, Wis. to conduct the final business of this quadrennial, elect jurisdiction officers and nominees for Directors of Women's Division for the 1984-1987 quadrennium, and challenge members to a renewed commitment to Jesus Christ and the work of missions around the world.

Mrs. Carolyn Marshall, president of North Central Jurisdiction and from South Indiana Conference, presided over the daily sessions attended by 816 women from 44 conferences and 10 states. Greetings were extended from Women's Division president, Ruth Daughtery, and deputy general secretary, Teresa Hoover, via videotape.

Using the theme of love and passages from I John, sermons were preached by Rev. Mary Lou Santillon Baert, Nashville, Tenn. and Rev. Kathy Reeves, Harvey, Ill., as well as the women ministers serving

the sacrament of Holy Communion in the closing worship service Sunday morning.

Local women attending included Dorothy Luckert, member of Nameoki United Methodist Church Women and president of Southern Illinois Conference United Methodist Women, who was a voting delegate and had the privilege of introducing our area Bishop Leroy Haddapp and his wife, Polly, and Corinne Dawson, president of Nameoki United Methodist Women, who has attended all five quadrennial jurisdiction meetings since its inception in 1968.

Area women elected were: Mrs. Mildred Jeffers, East St. Louis, as member of nominating committee of jurisdiction; Mrs. Elizabeth Short, Centerville, nominated as Director of Women's Division; Mrs. Mary Renfro, Lebanon, nominated as alternate candidate for Director of Women's Division; Mrs. Alma Edwards, Detroit Mich., was elected jurisdiction president for the next quadrennium.

4:30 allowing enough time for most Illinoisians to get back home and prepare for Sunday worship in their home churches.

Housing information is available upon request.

Illinois Christian convention at Lincoln Christian College

Project 300 and Christian Churches of Illinois announce the Illinois Christian Convention will be held April 6 and 7 on the campus of Lincoln Christian College in Lincoln, Ill.

The challenging theme "The New People" will be included in the preaching and workshop sessions.

Special teen sessions will include Jim Hart, past quarterback for the St. Louis Cardinals, J. K. Jones and the music ensemble, "Dayspring." Also included will be the opportunity to attend a banquet especially for the teens (banquet cost extra).

Registration for a family for this annual event is \$3 and for an entire church for \$100. Registration forms are available from the college or by writing the registration chairman, Karl Marshall, Box 372, Paris, Ill. 61944.

Beginning at 7:30 Friday night the adult workshop session and the teen main session will go on simultaneously. Worship and workshops will be held on Saturday addressing such themes as: overcoming stress, humanism and public education, divorce and remarriage in the church, abortion, the sexual revolution, Christian perspective on the arms build-up, mid-life crisis, pressures on the home, and more. The afternoon session will end about

Fraternity to sponsor alcohol awareness day

Tau Kappa Epsilon fraternity at Southern Illinois University at Edwardsville (SIUE) is sponsoring "Alcohol Awareness Day" Wednesday, April 4, at the university.

According to Paul Ramee, a member of the fraternity, members of the Illinois State Police, Edwardsville police and SIUE police will administer field sobriety tests to six students who will drink two, four and six cans of beer respectively. According to Detective Rich Harrison of SIUE police, an intoxication test or breathalyzer test will be administered.

The members of the police forces will discuss the procedures of arresting someone accused of driving under the influence (DUI) and changes in the drunken driving laws. Representatives from Mothers Against Drunk Driving (MADD) and Remove Intoxicated Drivers (RID) also will be present to discuss the dangers of drunken driving.

The event is scheduled to begin at 10:30 a.m. in the Goshen Lounge of the University Center.

For more information, interested persons may call Paul Ramee at 1-692-3819.

PRAYER TO the applicants. To the Holy Spirit who you brighten all roads, so I can obtain any good, you also give me the divine gift to forgive and forget all evil against me, and that in all instances of my life. You are with me, I want in this short prayer to thank you for all the things, and to confirm once again that I am not to be separated from you even in spite of all material illusions. I want to be with you in eternal glory thank you for your mercy toward me and mine. Say this prayer for three consecutive days after three consecutive days after three days your favored request will be granted even if I am ap- pear difficult. Upcoming events

Cancer crusade

THE AMERICAN CANCER Society, Quad-City Unit, is conducting a residential crusade today through Friday, April 2 to 6. The purpose is to remind residents about the need for regular medical checkups and to seek contributions for education, research and service.

Workshop

BUDGET STRETCHING will be the subject of the second free workshop being offered from 7 to 9 p.m. Thursday, April 5, by the Tri-City Area United Way, Inc. AFL-CIO Community Services' Union Counselor Course. The series is open to any interested resident, but union representatives and members are especially urged to attend and learn how to help fellow workers and friends. Esther McGuinness, dietary supervisor at St. Elizabeth Medical Center will be the speaker. The class will be conducted at the American Red Cross Building, 2100 Edison Ave. Other classes will be conducted on subsequent Tuesdays. Those wishing further information may contact George Cook at 877-4780.

SOWING SEEDS and transplanting seedlings will be subjects of a workshop to begin at 7 p.m. Wednesday, April 4, at the Home Nursery & Greenhouses, Route 157 and University Drive in Edwardsville. Speaker Kenneth Peck, horticulturist for A.H. Hummer Seed Co., will show slides, give demonstrations and answer questions. The workshop is free and open to the public. Those wishing more details may call 1-656-1470.

A LOW VISION workshop designed for those who are partially blind will be conducted from 9:45 to 11:30 a.m. on Thursday, April 5, in the Dr. Tom Dooley Center at the National Shrine of Our Lady of the Snows, 5500 W. Illinois Route 15, Belleville. Radio Information Service volunteers will talk with participants. Those wishing transportation may call 1-277-7964. Those needing further information about the workshop may call 1-397-6700 or 1-214-3400.

Senior events

POTENTIAL SENIOR OLYMPICS competitors and other senior citizens have the opportunity to participate in conditioning exercises and to receive game instructions at the Maryville Senior Center gymnasium on Route 159. Classes will be conducted from 10 until 11 a.m. for five Tuesdays, beginning this Tuesday, April 3. The Southern Illinois Regional Senior Olympics in May are open to people 55 years of age or older. Those wishing to learn more about the Olympics or training exercises may contact Reba Klenke at 1-692-3210.

TAX ADVICE for older residents is offered from 9 a.m. to noon each Tuesday and Friday at the Red Cross Building (formerly St. Joseph Catholic Church), 2100 Edison Ave. Participants should bring last year's completed tax form, W-2 tax forms and other information.

THE PONTOON BEACH and Nameoki Township Senior Citizens group will begin conducting bingo games for members only at 2:30 p.m. Wednesdays, starting April 4. The games will be con-

ducted at the senior center on Highway 111. The group also is looking for pinch players from among township senior citizens. Those interested in playing pinch may call Joy at 797-6971 before 10 a.m.

Youth-school

FALL REGISTRATION for the fall school term is underway at Bethel Christian Academy, Rural Route 1, East Alton, Ill. The school instructs youth from preschool through high school in a Christian environment. A special registration for new students is today through Sunday, April 2 to 7, but all students have until June 1 to register. Those needing more information may call 1-254-0188.

KIDDIE KAMP open house will be conducted at the Tri-City Area YMCA, 2001 Edison Ave., from 9 a.m. to noon Wednesday and Thursday, April 4 to 5. Parents will have an opportunity to meet instructor Cheryl Sharp, who teaches the preschoolers. Those wishing further information may call 876-7200.

STORYTIME for children age 3 and older is being hosted each Thursday by the Children's Department of the Granite City Public Library. The program is conducted at 10 a.m. at the main library, 2001 Delmar Ave., and at 1:30 p.m. at the branch library, 6 Nameoki Village Shopping Center. There is no charge, but new participants must register in advance. Those interested in further information may call 876-6555.

Talk and support

THE ADULT DIABETIC Support Group will conduct a recipe swap at 7:30 p.m. Tuesday, April 3, in Paschal Hall at St. Elizabeth Medical Center, 2100 Madison Ave. Members are being urged to bring their favorite recipes. A registered dietitian will give a presentation. All diabetics, family members and friends are being welcomed to attend.

THE CHEMICAL PEOPLE Task Force of Granite City will meet at 7:30 p.m. Thursday, April 5, in Room 149 at Maryville School, 4651 Maryville Road. The group is investigating ways to fight drug abuse among youth in the city.

Other dates

THE SOCIETY OF REAL ESTATE Appraisers, Southern Illinois Chapter 152, will discuss local market areas Monday, April 3, at Augustine's Restaurant, Belleville. The board meeting will begin at 5:30 p.m. and the regular business meeting will start at 7 p.m.

DANCE ENTHUSIASTS must make their reservations by Thursday, April 5, for a special performance April 6 of the Green Grass Chuggers, who will perform in the Meridian Ballroom of the University Center at Southern Illinois University at Edwardsville. The dancers perform traditional Southern Appalachian Mountains dancing, to which they add innovative high stepping. Tickets are \$2 for adults and \$1.50 for students, children or senior citizens. A limited number of tickets will be available at the door. Those wishing to make reservations may call the Madison County Arts Council at 1-692-6200.

'Caveman' to be shown at SIUE

The movie "Caveman" will be shown today through Friday at Southern Illinois University at Edwardsville. The video will be presented in the Video Lounge on the second floor of the University Center. Showtimes are 12:30 p.m. Wednesday and Friday and 10:30 a.m. Tuesday and Thursday.

Ringo Starr plays Atok, the caveman who is banished from his tribe after trying to win Lana (Barbara Bach). Atok stumbles on outcasts from other tribes and, together, they discover fire, invent music and expand their vocabularies. Atok then returns to his tribe to win the hand of Lana

from the tribe's vengeful chief, Tonda (John Matusky).

For more information, interested persons may call the Student Program Board at 1-692-2617.

MISHAP ON MADISON
Mary J. Rowleski, of 907 Iowa St., Madison, sustained a minor injury, but declined medical attention last week when her auto allegedly struck a truck from the rear by a vehicle operated by Mary L. Clements, 34, of 2223 Grand Ave., which skidded on wet pavement in the 2900 block of Madison Avenue. Both cars were northbound at the time.

By DONNA KIMBRO
of the Press-Record
Appropriations for the road district budget of Chouteau

Township, submitted by Wilfred "Bud" Eberhart, the township's highway commissioner, were approved and adopted unanimously last week by all members of the Board of Trustees.

Supervisor Walter "Dick" Sparks presided at the meeting and Mrs. Patricia Polley, clerk, read the current budgets, which total \$227,600 for the year, reflecting a decrease of \$80 from last year's budgets of \$228,230.

A breakdown of the financial

statement lists the new figures first and in parenthesis is the total for the previous year: the general road fund, \$23,925 (\$23,900); administration division, \$36,000 (\$34,780); building division, \$4,100 (\$3,600); equipment division, \$18,200 (\$18,100); and contingencies, \$2,500 (\$1,000). This year's total is \$44,725 and last year it was \$41,380.

The increase in the road budgets "was increased for needed repairs for roads due to the winter weather," Eberhart explained.

Adding to that total will be the permanent road fund, \$92,525 for 1983 (\$98,500 last year); equipment and building fund, \$34,175 (same); and Illinois Municipal Retirement Funds, \$16,175 (\$14,175).

The next regular meeting of Chouteau Township Board of Trustees will be Monday, April 2, at 7 p.m. and there will be the Chouteau annual audit meeting on Wednesday, April 4, and the annual town meeting set for Tuesday, April 10, according to the supervisor.

Stat., ch. 110 1/2, Sec. 21.

You also have the right under Section 8-1 of the Probate Act II, Rev. Stat., ch. 110 1/2, Sec. 8-1 to contest the validity of the will by filing a petition with the court within 6 months after admission of the will to probate.

Claims against the estate may be filed in the office of the clerk of the court, Madison County Courthouse in Edwardsville, Illinois 62025, or with the representative, or both, within 6 months from the date of issuance of letters and any claim not filed within that period is barred. Copies of a claim filed with the clerk must be mailed or delivered to the representative and to the attorney within 10 days after it has been filed.

Dated this 14th day of March, 1984.

John T. Papa, Attorney for Bertha Phillips 1326 Niedringhaus Avenue Granite City, IL 62040.

Chouteau road budgets drop by \$630

Township, submitted by Wilfred "Bud" Eberhart, the township's highway commissioner, were approved and adopted unanimously last week by all members of the Board of Trustees.

Supervisor Walter "Dick" Sparks presided at the meeting and Mrs. Patricia Polley, clerk, read the current budgets, which total \$227,600 for the year, reflecting a decrease of \$80 from last year's budgets of \$228,230.

A breakdown of the financial

statement lists the new figures first and in parenthesis is the total for the previous year: the general road fund, \$23,925 (\$23,900); administration division, \$36,000 (\$34,780); building division, \$4,100 (\$3,600); equipment division, \$18,200 (\$18,100); and contingencies, \$2,500 (\$1,000). This year's total is \$44,725 and last year it was \$41,380.

The increase in the road budgets "was increased for needed repairs for roads due to the winter weather," Eberhart explained.

Adding to that total will be the permanent road fund, \$92,525 for 1983 (\$98,500 last year); equipment and building fund, \$34,175 (same); and Illinois Municipal Retirement Funds, \$16,175 (\$14,175).

The next regular meeting of Chouteau Township Board of Trustees will be Monday, April 2, at 7 p.m. and there will be the Chouteau annual audit meeting on Wednesday, April 4, and the annual town meeting set for Tuesday, April 10, according to the supervisor.

Students learn about birdwatching

The Office of Continuing Education at Southern Illinois University at Edwardsville will offer a non-credit course in birdwatching during the spring months. Classes will meet on Thursdays from 6:30 until 8:20 p.m. in Room 3310 of Peck Classroom Building, beginning April 12. The course includes three night classes and two nearby field trips. These trips will coincide with the spring migration. REGISTRATION IS \$30. Instructor for the course will be John Mc-

Call, professor of psychology at the university. Designed for teenagers and adults who wish to learn more about birds, either as "backyard birdwatchers" or more serious students of ornithology, the course will include tips on binoculars, field guides and area groups which are active in "birding."

Additional information may be obtained by contacting the SIUE Office of Continuing Education at 1-692-3210.

Telecourses bring college to the student

Belleville Area College and KETC Channel 9 have teamed up to bring college education to over 551 BAC students.

A recently released survey shows BAC had more students enrolled in telecourses offered over KETC Channel 9 than any other St. Louis / Metro-East School. The community college had 100 more students in the courses than St. Louis Community College, the college with the second largest enrollment.

BAC OFFERED seven courses over KETC Channel 9 in contrast to St. Louis Community College's six.

The most popular telecourse among BAC students is "American Playhouse," a series of stage plays, musicals, book adaptations and docudramas by American writers.

Telecourses allow a student to earn college credit at home. Students complete homework and quizzes by mail and are required to come to campus only for midterm and final examinations.

A BAC INSTRUCTOR is assigned as a mentor for each course and students are encouraged to call or visit these instructors when they have questions.

Two telecourses will be offered this summer. The Home Gardener will help students learn how to get the most out of their garden and Private Pilot, a course designed to prepare students to take the Federal Aviation Administration written exam.

Seven telecourses will be offered next fall. They are: Cultural Anthropology, a study of the origin and history of man's cultures; Intro to Data Processing, a survey of the computer in informational systems; Earth Science, a study of our planet's place in the universe; U. S.

History to 1877, an explanation of the development of the American civilization to the Reconstruction period; General Psychology, an introduction to the facts and scientific principles of the psycho-physical activity in human behavior; Private Pilot, a preparation for the Federal Aviation Administration written exam for private pilots, and The Home Gardener, a course in basic gardening.

INFORMATION about telecourses is available by visiting the telecourse office in room 1275 at the main campus or by calling 1-235-2700, extension 200.

Applicants are sought for student program positions

Full-time, part-time, night and weekend students at Southern Illinois University at Edwardsville have a chance to be involved in planning activities at the university.

Sieve Sperotto, program coordinator, announced that the Student Program Board (SPB) is looking for SIUE students to fill volunteer administrative and committee positions. "The positions provide valuable hands-on experience for

students," Sperotto said. THE SPB PRESIDENT chairs SPB and advisory committee meetings. This person is also the SPB representative to any faculty student organization or university function and serves as coordinator between the different committees.

To be considered for the positions of SPB president, students interested in the office must be sophomores with at least 45 quarter

hours of credit and must be in good academic standing. They must also have at least six months of experience in programming or activities.

Committee coordinators may preside at committee meetings and serve as representatives of their committees to the program board. Committee members also guide their committees in planning, publicizing, executing and

evaluating program activities, events and projects that their committees have decided to undertake.

STUDENTS WHO ARE interested in the positions of committee coordinators must be in good academic standing. They must also have at least six months of program or activities experience.

Coordinators are needed for the committees on campus forums, black programs, films, video, visual arts, international programs, performing arts, public relations and special events and women's programs.

The term of office for both the president and committee coordinators is one year, with an option to reapply for the same position the next year. An individual may serve only two years in one position.

APPLICATIONS WILL be available in the SPB office until noon Friday, April 20. Interviews will be scheduled Monday through Wednesday, April 23 through 25, and final selections will be made by Friday, May 4. Students will assume their positions June 1.

For more information about the SPB or the positions available, interested persons may contact the SPB at 1-692-2617.

Most students must file tax returns

Each fall, nearly a half million students head for Illinois colleges and universities. Many of these college students hold jobs to help pay part of their expenses. As a result, they often find their education includes a short course in dealing with the state tax collector.

Students are no different from other Illinois citizens, when it comes

to income taxes, according to George Barry, head of the Illinois Department of Revenue's income tax legal division. "Any resident whose gross income is \$1,000 or more, or who is required to file a federal income tax return must file a state return," Barry said.

"IN ADDITION, any non-resident

or part-year resident including out-of-state students who attend school in Illinois or Illinois students who attend schools elsewhere are expected to file Illinois income tax returns if their Illinois income is greater than the exemptions they are allowed," he said.

The exemption allowed non-residents or part-year residents is based on the percentage of their total income which was earned in Illinois. For example, if a student earned half of his or her income last year in Illinois and half elsewhere, then he or she would be entitled to take one-half of the normal \$1,000 exemption. This means that any income above this \$500 exemption would be subject to Illinois income tax.

This calculation is simplified on the NR—schedule which non-residents and part-year residents are to file along with their Illinois tax return (IL-1040), Barry said.

INDIVIDUALS WITH questions can contact any of the Department of Revenue offices listed on the inside cover of the state income tax booklet (IL-1040) or call the Department at 1-217-782-3336 or 1-312-641-2150.

Summer institute for gifted children

Blackburn College in cooperation with the Macoupin County Regional Superintendents Office and the Illinois State Board of Education, announces "Futures Unlimited," a two-week summer institute for talented, gifted and highly motivated students who will be entering grades five through nine next fall.

The academic program will include computer science, mathematics, science, current events, creative writing and fine arts.

THE INDIVIDUAL classes will enable the students to exercise the skills of critical thinking, creative thinking, research, problem solving, coping with exceptionality, decision making and leadership.

The dates for the institute will be June 10 through June 22. Students

accepted for the program will have the choice of being an on-campus resident or a commuter student. Costs for the institute will be \$350 for on-campus residents, which includes tuition, room, board and all activities. The total cost for a commuter student will be \$500.

Blackburn College is currently being considered for a grant which would pay the tuition costs for all students accepted in the program. This would mean that commuter students would pay no fees and resident students would pay only for room and board.

Enrollment in the program will be limited to approximately 100 students. Parents interested in the program and specific admission requirements should contact Dr. Brian Lotven, Blackburn College, Carlinville, Ill. 62626.

GCC offers child care for students with family

Students with a family don't have to drop the kids off at a babysitter's to attend Granite City Center (GCC) of Belleville Area College. They can bring them along and drop them off at the child-sitting center at the center.

The child-sitting center is open from 8 a.m. to 4 p.m. Monday through Friday. Children should be between two and five years old and must be potty-trained. The service costs \$1.50 an hour for the first child. Additional children at \$1 an hour.

THE SERVICE, which is under the direction of Janet Nolan of Granite City, is staffed in part by volunteers from the BAC Program and Services for Older Person's Retired Senior/Volunteer Program. Mrs. Nolan, who has a son, 2½, holds a bachelor's degree in early childhood and elementary education from Southern Illinois University at Edwardsville. She worked for three years at the day-care center of the Venice-Lincoln Technical Center, teaching for one year and running a program for 2-year-olds for two years.
